BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 732500 and §
Vocational Nurse License Number 135914 §
issued to MELODY LYNN TURNBOW § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MELODY LYNN TURNBOW, Registered Nurse License Number 732500, and Vocational Nurse License Number 135914, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(3),(10),(12)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 23, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas. Respondent's license to practice vocational nursing in the State of Texas is currently in delinquent status.
4. Respondent received a Certificate in Vocational Nursing from North Central Texas College, Gainesville, Texas, on August 23, 1991. Respondent was licensed to practice vocational nursing in the State of Texas on December 3, 1991. Respondent received an Associate Degree in Nursing from Excelsior College, Albany, New York, on March 22, 2006. Respondent was licensed to practice professional nursing in the State of Texas on August 8, 2006.

5. Respondent's complete professional and vocational nursing employment history includes:

12/1991-02/1996	Unknown

6. On or about December 22, 2008, Respondent was convicted of DEADLY CONDUCT (a Class A Misdemeanor offense, plead down from DRIVING WHILE INTOXICATED, committed on January 8, 2008), in the County Court of Montague, Montague County, Texas, under cause No. 375-08. On or about December 21, 2009, Respondent was discharged from community supervision and the case dismissed.
7. At the time of the incident, as stated in Finding of Fact Number Eight (8), Respondent was employed as a Registered Nurse with Wise Regional Healthcare, Decatur, Texas, and had been in this position for approximately three (3) months.
8. On or about January 8, 2008, while employed as a Registered Nurse with Wise Regional Healthcare, Decatur, Texas, Respondent lacked fitness to practice nursing in that she was diagnosed with, and sought treatment for, prescription pain medication addiction. Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.

9. In Response to Finding of Fact Number Eight (8), Respondent states she now recognizes emotions that in the past triggered drug usage, and that she has since learned how to deal with those emotions. Respondent states she has a strong support system, including: twelve (12) step meetings, church, and family. Respondent states she feels she has proven that she has dealt with her past addiction. Additionally, Respondent states that every drug test she has taken has been negative, and that Serenity House stated that she did not qualify for any treatment options due to the length of time and her abstinence of the drug she had abused.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
