BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse	§	AGREED
License Number 755433	§	
issued to RONALD BELMONTE CABREROS	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of RONALD BELMONTE CABREROS, Registered Nurse License Number 755433, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 13, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Trinity Valley Community College, Kaufman, Texas, on May 5, 2008. Respondent was licensed to practice professional nursing in the State of Texas on June 17, 2008.
5. Respondent's complete professional nursing employment history is unknown.

6. On or about July 23, 2010, Respondent was convicted of DRIVING WHILE INTOXICATED, (a Class B misdemeanor offense committed on October 24, 2008), in the County Criminal Court #3 of Dallas County, Texas, under Cause No. M-0866005. As a result of the conviction, Respondent was sentenced to one hundred eighty (180) days confinement in the Dallas County Jail, with the imposition of the sentence suspended, and Respondent was placed on probation for a period of eighteen (18) months. Additionally, Respondent was ordered to pay a fine and court costs.
7. On or about March 1, 2010, Respondent was arrested by the Dallas Department of Public Safety (DPS) North Tollway for the Class B Misdemeanor offense of DRIVING WHILE INTOXICATED/OPEN ALCH CONTAINER, and the 3rd Degree Felony offense of POSS CS PG >= 1G < 4G.
8. On or about April 2, 2012, Respondent underwent a Psychological Evaluation with J. Ray Hays, Ph.D., J.D., and Karen A. Lawson, MPH, Ph.D., wherein Dr. Hays and Dr. Lawson advised the following:

Respondent reported that he drinks alcohol. He fully acknowledged not having used appropriate coping mechanisms in times of sadness and stress in the past. He reported that he has been attending counseling, and that this has been benefitting him. He came across as contrite to both examiners, and as taking responsibility for his actions. Several letters of recommendation and performance review forms on behalf of Respondent were provided as part of his evaluation. Comments throughout the materials reviewed were uniformly positive. He appeared to be aware of the seriousness of his arrest history, and of the potential for a loss of his career as a nurse if he were to function in any type of way that is unsafe with patients, or if he were to again be arrested. Psychological testing yielded findings that were within normal limits. Based on results from the clinical interview and psychological test results, as well as review of all material in his file, the opinion of the examiners is that Respondent is capable of avoiding behaviors that constitute unprofessional conduct as a licensed nurse in the State of Texas. No treatment recommendations on behalf of Respondent were made.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(13).

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 755433, heretofore issued to RONALD BELMONTE CABREROS, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
