BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 641476 §
issued to BARBARA SPRINGER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of BARBARA SPRINGER, Registered Nurse License Number 641476, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated TEX. REV. CIV. STAT. ANN. ART. 4525(b)(2)&(9),(eff. 09/01/1995), and Section 301.452(b)(9)&(10), Texas Occupations Code, (eff. after 09/01/1995). Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on November 3, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Lee College, Baytown, Texas, on May 1, 1997. Respondent was licensed to practice professional nursing in the State of Texas on June 24, 1997.
5. Respondent's nursing employment history is unknown.

6. At the time of the initial incidents described in Findings of Fact Numbers Eight (8) and Nine (9), Respondent was employed as a Registered Nurse with Beyond Faith Homecare & Rehab, Garland, Texas, and had been in this position for approximately two (2) months.
7. On or about May 6, 1997, Respondent submitted an Application for Initial Licensure for Graduates of Schools in the United States to the Board of Nurse Examiners for the State of Texas in which she provided false, deceptive, and/or misleading information, in that she answered "No" to the question: "Have you ever been convicted of a crime other than minor traffic violations?"

Respondent failed to disclose that on or about April 4, 1980, Respondent entered a plea of Guilty and was convicted of PWC THEFT (a misdemeanor offense), in Dallas County, Texas, under Cause No. M-7804704E.

8. On or about January 3, 2007, while employed at Beyond Faith Homecare & Rehab, Garland, Texas, Respondent misappropriated Norco from a patient's home. Respondent's conduct was likely to defraud the home health agency and patient of the cost of the medications.
9. On or about January 9, 2007, while employed at Beyond Faith Homecare & Rehab, Garland, Texas, Respondent misappropriated Vicodin from a patient's home. Respondent's conduct was likely to defraud the home health agency and patient of the cost of the medications.
10. On or about May 23, 2011, while employed at Titus Regional Medical Center, Mount Pleasant, Texas, Respondent engaged in the intemperate use of Hydrocodone in that she produced a specimen for a drug screen which resulted positive for Hydrocodone. Additionally, Respondent admitted that she relapsed on Hydrocodone. Possession of Hydrocodone, without a valid prescription, is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Hydrocodone by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
11. On or about May 26, 2011, while participating in the Texas Peer Assistance Program for Nurses (TPAPN), and as a result of the positive drug screen for Hydrocodone, Respondent was offered an opportunity to restart her TPAPN program provided she enroll in an extended residential treatment program for dual diagnosis patients. Respondent was unable to arrange funding and declined the restart.
12. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove a violation of TEX. REV. CIV. STAT. ANN. ART. 4525(b)(2)&(9),(eff. 09/01/1995), and Section 301.452(b)(9)&(10), Texas Occupations Code, (eff. after 09/01/2005), and 22 TEX. ADMIN. CODE §217.13(17), (eff. 05/01/1996), and 22 TEX. ADMIN. CODE §217.12 (4),(5),(6)(G),(8),(10)(A),(10)(D)&(11)(B), (eff. after 09/28/2004).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 641476, heretofore issued to BARBARA SPRINGER, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
