BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED ORDER
License Number 697302 § FOR
issued to COURTNEY ANNE HARRIS § DEFERRED DISCIPLINE

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of COURTNEY ANNE HARRIS, Registered Nurse License Number 697302, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on November 18, 2011, by Katherine A. Thomas, MN, RN, FAAN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Alvin Community College, Alvin, Texas, on May 12, 2003. Respondent was licensed to practice professional nursing in the State of Texas on July 1, 2003.
5. Respondent's nursing employment history includes:

7/2003-6/2007

Registered Nurse-ICU
Memorial Hermann Southeast
Houston, Texas

6/2007-11/2008

Registered Nurse-Cardiac Catheterization Lab
Memorial Hermann Southeast
Houston, Texas

Respondent's nursing employment history continued:

12/2008-9/2010	Registered Nurse-Cardiac Catheterization Lab San Jacinto Methodist Baytown, Texas
9/2010-Present	Registered Nurse-Cardiac Catheterization Lab Bayshore Medical Center Hospital Pasadena, Texas

6. At the time of the initial incident, Respondent was employed as a Registered Nurse-Cardiac Catheterization Lab with San Jacinto Methodist, Baytown, Texas, and had been in this position for eight (8) months.
7. On or about August 31, 2010, while employed in the Cardiac Catheterization Lab with San Jacinto Methodist Hospital, Baytown, Texas, Respondent failed to clarify a physician's order to administer 60 mg Procardia by mouth to Patient Number H251336 when the patient's systolic blood pressure increased to 215. Instead, Respondent punctured the medication capsules and squeezed their contents into the patient's mouth, and the patient's blood pressure subsequently dropped more than 100 points. Respondent's conduct exposed the patient unnecessarily to risk of harm from ineffective treatment which could result in a delay in the patient's recovery.
8. In response to Findings Fact Number Seven (7), Respondent admits that she squeezed the Procardia out of the capsule into the patient's mouth and says; "I asked the patient to swallow the liquid and not to allow it to go under his tongue, as I understand that this is not the recommended practice and under-the-tongue (sublingual) absorption of this medication can be dangerous and it was not the route verbally ordered by Dr. Leahey." Respondent goes on to say, "I left the patient's room and confirmed with another nurse on duty, that this was the proper method of administering the medication. I returned to the patient's room and confirmed that the systolic pressure was down to 118. I assisted in applying a fresh dressing and monitored the patient for the next fifteen to thirty minutes."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(C),(1)(N)&(3)(A).

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 697302, heretofore issued to COURTNEY ANNE HARRIS, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
