BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 759723 §
issued to KELLI DIANNE DELATORRE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of KELLI DIANNE DELATORRE, Registered Nurse License Number 759723, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on November 2, 2011, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from North Harris Community College, Houston, Texas, on May 9, 2008. Respondent was licensed to practice professional nursing in the State of Texas on August 7, 2008.
5. Respondent's nursing employment history includes:

8/2008-Present	RN Memorial Hermann Northeast Hospital Humble, Texas
----------------	--
6. At the time of the initial incident, Respondent was employed as a RN with Memorial Hermann Northeast Hospital, Humble, Texas, and had been in this position for two (2) years.

7. On or about August 16, 2010, while employed with Memorial Hermann Northeast Hospital, Humble, Texas, and assigned to the Emergency Department, Respondent failed to adequately assess Patient Medical Record Number 37715787, and intervene when the patient, who had presented to the triage area of the Emergency Department (ED), with complaints of abdominal pain, nausea, vomiting and an elevated blood pressure. Respondent failed to assess the patient, who was of child bearing age, for a possible pregnancy, but documented in the patient's medical record that the patient's abdomen was "distended and firm", and Respondent failed to re-assess the patient's vital signs. The patient, who was hypertensive and experiencing complications of pregnancy, lost consciousness, required intubation, and an emergency cesarean section. Respondent's conduct exposed the patient unnecessarily to risk of harm from medical complications as a result of ineffective and inadequate nursing assessment which resulted in a delay of treatment of the patient's disease processes.

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 759723, heretofore issued to KELLI DIANNE DELATORRE, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
