BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 165880 §
issued to SAMUEL O. OGEMBO § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SAMUEL O. OGEMBO, Vocational Nurse License Number 165880, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on June 4, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Concord Career Institute-Extended Health, Arlington, Texas, on September 19, 1997. Respondent was licensed to practice vocational nursing in the State of Texas on December 4, 1997.

7/2007 - Present	LVN	Renaissance Park Multicare Center Fort Worth, Texas

6. At the time of the initial incident, Respondent was employed as a LVN with Downtown Health and Rehabilitation Center, Fort Worth, Texas, and had been in this position for one (1) year and five (5) months.
7. On or about December 2008, through January 2009, while employed with Downtown Health and Rehabilitation Center, Fort Worth, Texas, Respondent performed weekly wound treatments, without a physician's order, on the coccyx and right foot of Resident JC, using Panifil. Respondent's conduct was likely to injure the Resident from non-efficacious care and /or possible adverse reactions due to the medication administered without the benefit of a physician's expertise.
8. On or about December 2008, through January 2009, while employed with Downtown Health and Rehabilitation Center, Fort Worth, Texas, Respondent failed to document skin assessments and treatments Respondent performed in the medical record of Resident JC. 9. In Response to Finding of Fact Numbers Seven (7) through Eight (8), Respondent denies all the charges/allegations against him. Respondent contends the allegations have no merit or credibility. Respondent states he was not responsible for the patient's care or weekly skin assessments which were completed by the nurse assigned to the Resident's care.
