8. On or about August 1, 2010, Respondent submitted an Online Renewal Document Registered Nurse - Late Renewal to the Texas Board of Nursing, in which Respondent provided false, deceptive, and/or misleading information, in that she answered "No" to the question:

"Have you, within the past 24 months or since your last renewal, for any criminal offense, including those pending appeal:

- A. been convicted of a misdemeanor?
- B. been convicted of a felony?
- C. pled nolo contendere, no contest, or guilty?

- J. been subject of a court-martial; Article 15 violation; or received any form of military judgment/punishment/action?"

Respondent failed to disclose that, on or about July 8, 2008, Respondent pled Guilty and was convicted of DRIVING WHILE INTOXICATED, a Class B Misdemeanor offense committed on November 14, 2007, in the County Court at Law of Medina County, Texas, under Cause No. 24988. As a result of the conviction, Respondent was sentenced to confinement for a period of one hundred eighty (180) days, however, imposition of the sentence of confinement was suspended, and Respondent was placed on probation for a period of one hundred eighty (180) days.

- 9. In Response to Findings of Fact Numbers Six (6) through Eight (8), Respondent states: She was not trying to be deceitful. From what she can recall, around the time of her renewal she was involved in two car accidents, in both cases her children were driving and not at fault. In one of the accidents, she sustained multiple injuries and broken bones (ribs). She sincerely believes that the stress she was going through made her hurry through the license renewal process, without thoroughly reading the question.
