

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 179460 §
issued to LEOTA JANE WHITTEN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LEOTA JANE WHITTEN, Vocational Nurse License Number 179460, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 21, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certification in Vocational Nursing from Tyler Junior College, Jacksonville, Texas, on December 14, 2000. Respondent was licensed to practice vocational nursing in the State of Texas on February 22, 2001.
5. Respondent's nursing employment history includes:

02/2001 - 02/2005	Staff Nurse	Rusk State Hospital
		Rusk, Texas

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

Respondent's nursing employment history continued:

02/2005 - 07/2010	Staff Nurse	The University of Texas Medical Branch, Correctional Managed Care (UTMB-CMC) Galveston, Texas, assigned to Texas Department of Criminal Justice (TDCJ) Skyview Unit, Rusk, Texas
07/2010 - Present		Unknown

6. At the time of the incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with UTMB-CMC, Galveston, Texas, assigned to TDCJ, Skyview Unit, Rusk, Texas, and had been in this position for five (5) years and five (5) months.
7. On or about July 1, 2010, while employed with UTMB-CMC, Galveston, Texas, and assigned to TDCJ, Skyview Unit, Rusk, Texas, Respondent falsely documented in the medical records of Offender Number 1647489 and Offender Number 345158 that she received verbal orders from the physician assistant to send the offenders to the local emergency room. Respondent's conduct resulted in inaccurate medical records and was likely to deceive subsequent care givers who relied on the information while providing care to the patients.
8. In response to the incident in Finding of Fact Number Seven (7), Respondent states that the events occurred on the July 4th holiday weekend. Respondent states that the charge nurse was concerned that the patients would not be seen by a physician until the following Tuesday. Respondent states that she and the Charge Nurse felt that the patients needed immediate additional care and that she and the Charge Nurse notified the attending physician assistant by voicemail describing the offenders' problems and their desire to transfer offenders to the local emergency room. Respondent states that the Charge Nurse notified the Utilization Management and made at least one attempt to contact the physician assistant. Utilization Management gave approval for the transfers. Respondent states that "it is Skyview's policy not to accept offenders who are in poor physical health; they must be cleared physically prior to being admitted to crisis management for psychiatric care, which is Skyview's intended function." Respondent states that these patient offenders were inappropriate for crisis Management due to their health problems and required clearance pursuant to UTMB protocol. Respondent states that is why she and " the Charge Nurse sent them to the local ER." The Respondent states that they "have done this many times before."
