BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 745116 §
issued to VELMA JANE MITCHELL § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the B considered the matter of VELMA JANE MITCHELL, Registered Nurse License Number 745116, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 20, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Missouri Southern State College, Joplin, Missouri, on May 11, 1992. Respondent was licensed to practice professional nursing in the State of Texas on July 19, 2007.
5. Respondent's nursing employment history includes:

5/1992 - 11/1992	Staff Nurse	St. Johna's Regional Health Care Center Springfield, Missouri
8/1992 - 9/1997	Staff Nurse	Missouri Rehabilitation Center Mt. Vernon, Missouri

Respondent's nursing employment history continued:

11/1992 - 11/1999	Staff Nurse	Army Reserves Nurse Corp Springfield, Missouri
9/1997 - 9/1998	Staff Nurse	St. Johna's Regional Medical Center Joplin, Missouri
8/1998 - 12/2003	Staff Nurse	Missouri Rehabilitation Center Mt. Vernon, Missouri
1/2004 - 6/2007	Unknown	
7/07 - Present	Staff Nurse	St. David's Georgetown Hospital Georgetown, Texas

6. At the time of the initial incident, Respondent was employed as a RN with St. David's Georgetown Hospital, Georgetown, Texas, and had been in this position for three (3) years and two (2) months.
7. On or about April 27, 2010, while working as a RN at St. David's Georgetown Hospital, Georgetown, Texas, Respondent may have failed to adequately assess and intervene, and timely notify the physician. Patient Medical Record Number V000196883 had a cardiac arrest and died. Respondent's conduct may have deprived the patient of timely assessment and intervention by the physician or other staff members.
8. In response to Finding of Fact Number Seven (7), Respondent reports that she heard the low oxygen alarm on the ventilator and entered the room. She turned up the oxygen on the ventilator and at that time she saw the BP was 75/61. She began the ABCs of assessment and called the Respiratory Therapist "STAT" to the room and then rechecked the BP finding it at 52/38. Respondent states she immediately started interventions to assist the patient by contacting the physician for orders. Respondent states she was attempting to hang a Levophed drip when patient became a-systole. Respondent states after the Code Blue was called, she remained with the patient and did not cease actions until the patient was pronounced. Respondent states the patient was admitted with acute respiratory failure, cardiomyopathy (with an Ejection Fraction (EF) of 15%), severe metabolic acidosis, acute renal failure, acute alcohol intoxication, and pneumonia. Respondent points out the ICU was located in a temporary unit due to renovations and since this temporary unit was not set up for ICU, it was impossible to hear the patient's alarms and that the ICU nurses had complained about this problem previously. Respondent adds that in this particular incident, the patient alarms were on in the room and at the nurse's station, but no one heard the BP alarm because of the physical setup of the ICU.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(1)(M) and 22 TEX. ADMIN. CODE §217.12(1)(A)&(4).
