BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED

issued to SHANNON CHERIE BOREL § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SHANNON CHERIE BOREL, Vocational Nurse License Number 166802, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated TEX. REV. STAT. ART. 4528c Sec. 10(a)(9) (eff. 09/01/1997) and Section 301.452(b)(2) &(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on December 27, 2011, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received an Associate Degree in Vocational Nursing from Lamar University, Orange, Texas, on December 19, 1997. Respondent was licensed to practice vocational nursing in the State of Texas on March 2, 1998.
5. Respondent's vocational nursing employment history is unknown.

6. On or about May 5, 1999, Respondent pled Guilty to POSSESSION OF CONTROLLED SUBSTANCE, a Felony offense committed on October 3, 1998, in the 128th District Court of Orange County, Texas, under Cause No. A990245. As a result of the plea, the proceedings against Respondent were deferred without entering an adjudication of guilt and Respondent was placed on probation for a period of five (5) years, and ordered to pay restitution in the amount of eight hundred eighty-eight dollars (\$888), along with a fine and court costs.
7. On or about May 5, 1999, Respondent pled Guilty to POSSESSION OF CONTROLLED SUBSTANCE, a Felony offense committed on October 3, 1998, in the 128th District Court of Orange County, Texas, under Cause No. A990246. As a result of the plea, the proceedings against Respondent were deferred without entering an adjudication of guilt and Respondent was placed on probation for a period of five (5) years, and ordered to pay restitution in the amount of eight hundred eighty-eight dollars (\$888), along with a fine and court costs.
8. In response to Findings of Fact Numbers Six (6) & Seven (7), Respondent states: She worked at Wal Mart as a pharmacy tech. Respondent states that her abusive boyfriend told her "You will get me some pills or do not come home" (he had an addiction to Xanax). She took some Xanax and was caught with them. Respondent learned a serious lesson in life and is a better person because of it. The Respondent received an order deferring adjudication and placing her on probation for a period of 5 years.
9. On or about March 23, 2008, Respondent submitted an Online Renewal Document Vocational Nurse to the Board of Nurse Examiners for the State of Texas in which she provided false, deceptive, and/or misleading information in that she answered "No" to the question:

"Have you, within the past 24 months or since your last renewal, for any criminal offense, including those pending appeal:

- A. been convicted of a misdemeanor?
- B. been convicted of a felony?
- C. pled nolo contendere, no contest, or guilty?
- D. received deferred adjudication?
- E. been placed on community supervision or court-ordered probation, whether or not adjudicated guilty?
- F. been sentenced to serve jail or prison time? court-ordered confinement?
- G. been granted pre-trial diversion?
- H. been arrested or have any pending criminal charges?
- I. been cited or charged with any violation of the law?
- J. been subject of a court-martial; Article 15 violation; or received any form of military judgment/punishment/action?"

Respondent failed to disclose that, on or about March 29, 2007, Respondent plead Guilty and was convicted of DRIVING WHILE INTOXICATED, a misdemeanor offense committed on August 6, 2006, in the County Court at Law of Orange County, Texas, under Cause No. E94470. As a result of the conviction, Respondent was sentenced to confinement in the Orange County Jail for a period of one hundred eighty (180) days; however, imposition of the sentence of confinement was suspended, and Respondent was placed on probation for a period of nine (9) months, and ordered to pay a fine and court costs.

10. In response to Finding of Fact Number Nine (9), Respondent states: She was coming home from a club and stopped at Whataburger to get something to eat. She was text messaging and eating fries and apparently swerved a little and the officer that pulled her over stated that she failed to stay in a single lane. The officer asked where she was coming from and she told him a club in Beaumont and she was charged with a misdemeanor DWI. The reason for the non-disclosure issue was an oversight on her part.
11. On or about November 16, 2011, Respondent underwent a chemical dependency evaluation, with Joyce M. Gayles, Ph.D. Dr. Gayles's summary is that the results of the evaluation do not indicate that Ms. Borel has an impairment that would prevent her from practicing nursing with reasonable skill and safety to patients. The results suggest that Ms. Borel would be able to consistently behave in accordance with the requirements of the Board's Rules. Futher, Dr. Gayle found that it's likely at this time that Ms. Borel would be able to consistently avoid behavior identified as constituting unprofessional conduct.
12. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of TEX. REV. STAT. ART. 4528c Sec. 10(a)(9) (eff. 09/01/1997), Section 301.452(b)(2)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §239.11(28)(eff. 3/1/99), and 22 TEX. ADMIN. CODE §217.12(6)(I)&(13).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 166802, heretofore issued to SHANNON CHERIE BOREL, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
