BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 659825 §
issued to ANGELA CATHERINE MARTIN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of ANGELA CATHERINE MARTIN, Registered Nurse License Number 659825, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 13, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Butler County Community College, El Dorado, Kansas, on May 1, 1995. Respondent was licensed to practice professional nursing in the State of Texas on May 18, 1999.
5. Respondent's professional nursing employment history includes:

| | | |
|-------------------|----|---|
| 07/1995 - 12/2000 | RN | Via Christi St. Francis Hospital Wichita, Kansas |
|-------------------|----|---|

Respondent's professional nursing employment history continued:

| | | |
|-------------------|----|--|
| 01/2001 - 10/2004 | RN | Breastfeeding Success Wylie, Texas |
| 11/2004 - 04/2006 | RN | Medical Clinic of North Texas Irving, Texas |
| 11/2005 - Present | RN | Allstar Home Health Arlington, Texas |

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Allstar Healthcare Inc., Arlington, Texas, and had been in this position for approximately four (4) years.
7. On or about August 11, 2009, while employed as a Registered Nurse with Allstar Healthcare Inc., Arlington, Texas, Respondent misappropriated Hydrocodone belonging to Patient I.B. or failed to take precautions to prevent such misappropriation. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
8. In response to Finding of Fact Number Seven (7), Respondent states: Upon assessing her medications, Patient I.B. told me she was not experiencing any pain and did not need them, asking if she could flush them in the toilet. I told I.B. and V.B. the meds could be donated to such organizations that can supply them to victims of trauma, such as Hurricane Katrina. On August 13, 2009, I received a call from LVN BK, stating Patient I.B. stated I had taken her pain medication. I told BK that I had not removed any medications and they had been on the kitchen table. He said that I.B. was insistent that I had taken them and I told him I would call her son. I called and spoke with V.B.'s significant other. He said, "Yes, she called here last night and told us she threw them in the trash." I had told him she did not seem to remember that now. This seemed to make her mad. BK did say "she's going to report you to the administrator." I did take all this seriously, but did not take any immediate action as I had not done anything wrong.
9. On or about September 2007 through December 2007, Respondent obtained Hydrocodone from CVS Pharmacy, Carrollton, Texas, under the name Tommie Blaker, through the use of unauthorized, fraudulent, oral or telephonically communicated prescriptions. Respondent admitted to passing the fraudulent, unauthorized prescriptions. Respondent's conduct was likely to deceive the pharmacy and possession of Hydrocodone through use of an unauthorized, fraudulent telephonically communicated prescription is prohibited by Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).

10. In response to Finding of Fact Number Nine (9), Respondent states: I had never, ever, obtained any prescriptions for this patient. Her family was solely responsible for getting all of her medications. I certainly never admitted to obtaining any type of medication for this patient.
11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
12. Formal Charges were filed on December 16, 2011.
13. Formal Charges were mailed to Respondent on December 19, 2011.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(1)(B),(6)(G),(10)(E)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 659825, heretofore issued to ANGELA CATHERINE MARTIN, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
