BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 740498 §
issued to MIRIAM VILLAR § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of MIRIAM VILLAR, Registered Nurse License Number 740498, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on February 6, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Tarrant County Junior College, Fort Worth, Texas, on December 14, 2006. Respondent was licensed to practice professional nursing in the State of Texas on May 3, 2007.
5. Respondent's complete professional nursing employment history is unknown.

6. On or about July 1, 2004, Respondent entered a plea of "Guilty" and was convicted of DRIVING WHILE INTOXICATED (a Class B misdemeanor offense committed on or about March 26, 2004), in the County Criminal Court No. 6, Fort Worth, Texas, under Cause No. 0933099. As a result of the conviction, Respondent was ordered to pay a fine and court costs.
7. On or about June 23, 2009, Respondent entered a plea of "Not Guilty" and was convicted of DWI-MISD REPETITION (a Class A misdemeanor offense committed on September 1, 2008), in the County Criminal Court No. 2, Tarrant County, Texas, under Cause No. 1134479. As a result of the conviction, Respondent was ordered to pay a fine.
8. In response to Finding of Fact Number Seven (7), Respondent states: "On June 23, 2009, I appeared before a jury of 6 people and was found guilty after a not guilty plea. The jury believed that since I did not provide a breath sample, that I was automatically guilty".
9. On or about June 3, 2010, Respondent underwent a psychological evaluation by Dr. Emily Fallis, Ph.D. Dr. Fallis found no evidence that the Respondent may abuse substances while on duty as a nurse, but Dr. Fallis was of the opinion that participation in treatment was the best way to ensure Respondent did not further abuse alcohol in other contexts. Additionally, Dr. Fallis felt that without treatment, Respondent may have difficulty behaving consistently in accordance with the requirements of Board Rule 213.27, as well as the minimum standards set by Board Rule 217.11 and generally accepted nursing standards.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
12. Formal Charges were filed on November 22, 2011. Formal Charges were mailed to Respondent on November 23, 2011.
