BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse	§	AGREED
License Number 643041	§	
issued to DEBRA BLAIBLEH	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of DEBRA BLAIBLEH, Registered Nurse License Number 6430 hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on September 30, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Houston Community College, Houston, Texas, on May 1, 1997. Respondent was licensed to practice professional nursing in the State of Texas on July 15, 1997.
5. Respondent's nursing employment history includes:

1997 - 2007	Staff Nurse	Memorial Hermann Hospital Houston, Texas
-------------	-------------	---

Respondent's nursing employment history continues:

2007 - 2008	Staff Nurse	North Cypress Medical Center Cypress, Texas
2008 - 2010	Staff Nurse	Methodist Willowbrook Hospital Houston, Texas
2011 - present	Unknown	

6. At the time of the initial incident, Respondent was employed as a RN with Methodist Willowbrook Hospital, Houston, Texas, and had been in this position for two (2) years.
7. On or about April 7, 2010, while working as a RN at Methodist Willowbrook Hospital, Houston, Texas, Respondent falsely stated to the unit Manager that she administered 9 a.m. medications to Patient Medical Records Number 259835450096. Instead, Respondent rescheduled the 9 a.m. medications to be administered at 1 p.m. without a physician's order. Respondent's conduct exposed the patient to risk of harm and was likely to deceive other care givers who needed complete information on which to base their care.
8. On or about April 7, 2010 while working as a RN at Methodist Willowbrook Hospital, Houston, Texas, Respondent falsely documented administering the 9 a.m. medications to Patient Medical Record Number 271690850087 when Respondent had actually administered the medications at 11:36 a.m., two and a half hours later than ordered. Respondent's conduct exposed the patient to risk of harm and was likely to deceive other care givers who needed complete information on which to base their care.
9. In response to Finding of Facts Numbers Seven (7) through Eight (8), Respondent admits she rescheduled the 9 a.m. medications to 1pm per patient's home routine medication time. Respondent states there is no hospital Policy requiring a physician's order to re-time medications. In response to Finding of Fact Number Eight (8), Respondent denies the allegation and states that the pharmacy fills the physician's orders BOTH by dispensing a dose, which is maintained in the patient specific medication bin (kept in a locked medication room) AND releasing the medication in the Pyxis. Respondent states that the AM medications were given from the "bin" and it was not necessary to access the Pyxis.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.

3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B),(1)(C)&(1)(D) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(1)(C)&(6)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 643041, heretofore issued to DEBRA BLAIBLEH, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
