## BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of Registered Nurse           §       AGREED  
License Number 720679, issue to           §  
CHRISTY MICHELLA DAVIDSON           §       ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CHRISTY MICHELLA DAVIDSON, Registered Nurse License Number 720679, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on November 29, 2011, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

### FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Daytona Beach Community College, Daytona Beach, Florida, on December 13, 2001. Respondent was licensed to practice professional nursing in the State of Texas on September 9, 2005.
5. Respondent's nursing employment history includes:

|                 |             |                                       |
|-----------------|-------------|---------------------------------------|
| 1/2002 - 9/2002 | Staff Nurse | Flagler Hospital<br>St. Augustine, FL |
|-----------------|-------------|---------------------------------------|

Respondent's nursing employment history continued:

|                   |              |  |
|-------------------|--------------|--|
| 10/2002 - 8/2005  | Staff Nurse  | Halifax Medical Center<br>Daytona Beach, FL          |
| 9/2005 - 3/2005   | Nurse Intern | Medical Center of Plano<br>Plano, TX                 |
| 4/2005 - 2/2006   | Unknown      |  |
| 3/2006 - 1/2009   | Staff Nurse  | Presbyterian Hospital of Plano<br>Plano, TX          |
| 2/2009 - 3/2009   | Staff Nurse  | Richardson Regional Medical Center<br>Richardson, TX |
| 04/2009 - Present | Unknown      |  |

6. At the time of the initial incident, Respondent was employed as a staff nurse with Richardson Regional Medical Center, Richardson, Texas, and had been in this position for six (6) weeks.
7. On or about March 24, 2009, while employed with Methodist Richardson Medical Center, Richardson, Texas, Respondent falsely documented a transcutaneous bilirubin level on Infant Medical Record Number 541695 as 8.6, a level which did not match the last reading of 9.1 reading on the bilimeter. An unopened bilimeter probe cover was found in the infant's crib and the Pyxis record documents that no other bilimeter probe covers were removed that night. Respondent's conduct resulted in an inaccurate medical record which was likely to deceive subsequent care givers who relied on the information while providing care to the patient.
8. In response to Finding of Fact Number Seven (7), Respondent denies the Finding of Fact and states "I honestly believe I have done nothing wrong." Additionally, Respondent states the nurse who reported the allegation against her to the nurse manager was not pleased that she had been hired and did not want her to work there. Instead of checking the last time and date for a reading on the meter, the nurse who "discovered" the incident checked the Pyxis. She then rechecked the bilirubin of the infant in question, permanently deleting whatever evidence may or may not have existed there.

The investigation revealed that no record of a 9.1 result was documented in any infant's chart and that there was no record of the result of 8.6 as reported and documented by Respondent. Respondent was terminated from employment.

### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A)&(1)(D) and 217.12(1)(A),(1)(C),(4)&(6)(A).
4.
