On this day the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the matter of MONYA HOPE BERRY, Vocational Nurse License Number 114797, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Article 4528c, sec.10(a)(9), Revised Civil Statutes of Texas, as amended. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order offered on May 14, 2007, by Katherine A. Thomas, MN, RN, Executive Director.

2. Respondent waived representation by counsel, informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Southwest State Technical College, Mobile, Alabama, on August 27, 1984. Respondent was licensed to practice vocational nursing in the State of Texas, on July 25, 1986.

5. Respondent's vocational nursing employment history includes:

07/1986 - 02/1995	Unknown
03/1995 - 07/1999	Licensed Vocational Nurse Bellaire, Texas
03/1998 - Present	Licensed Vocational Nurse Consolidated Community Resources, Inc. Houston, Texas
03/2000 - 09/2000	Licensed Vocational Nurse Westwood Home Care Texas
04/2005 - 04/2006	Licensed Vocational Nurse Pediatric Special Care Houston, Texas

6. On or about September 4, 2006, Respondent submitted a renewal application to the Board of Nurse Examiners for the State of Texas in which she answered "Yes" to the following question: "Have you ever been arrested, convicted, placed on community supervision...?" Respondent disclosed the following:

On or about August 8, 1994, Respondent plead "Guilty" to Manufacturing/Delivering/Possession of a Controlled Substance <28 grams, a Second Degree Felony, in the 337th District Court, Houston, Texas, Cause #067969801010. Respondent was sentenced to three (3) years Deferred Adjudication Community Supervision, and assessed a fine in the amount of three hundred dollars (\$300.00). On or about February 21, 1996, Respondent's Community Supervision Expired.

Respondent failed to disclose the following offenses:

- A. On or about December 2, 1991, Respondent was arrested for Prostitution by the Houston Police Department, Houston, Texas.
- B. On or about January 14, 1992, Respondent was arrested for Possession of Marijuana, by the Houston Police Department, Houston, Texas.
- C. On or about February 28, 1992, Respondent was arrested for Prostitution by the Houston Police Department, Houston, Texas.

- F. On or about January 20, 1993, Respondent was arrested for Possession of Controlled Substance <28G, a Second Degree Felony, by the Harris County Sheriffs Office, Houston, Texas.
7. On or about March 15, 2007, Respondent submitted a written statement related to Finding of Fact Number Six (6), which states that the above allegations listed above are a result of her inabilities, in that time period and lack of coping skills with day to day problems and tragedies such as divorce, death of family members and dysfunctional family unit led up to her disease of addiction. After each arrest, she would get clean and sober for a period of time. She would then go back to work and would try to stay clean and sober on her own in which after several attempts she was unsuccessful until her arrest on January 20, 1993. At that time, she was introduced to a 12 step recovery program in which she remained clean and sober for nine (9) months. Due to her relapse, she acquired the charge on January 25, 1994 and chose to go to treatment for approximately 30 days to get help for which she had remained clean and sober since that date. Her current clean and sober date is January 26, 1994. During her active addiction, she was unable to function as a nurse. She worked as an agency nurse which allowed her to not take assignments while in her active addiction which led up to the Prostitution arrests for which she is deeply ashamed of but have learned over the years in recovery to deal with her past which is another reason it was time to get honest. She could no longer live with the dishonesty to a profession that she highly respected. In response to why she never notified the Board of Nursing of her arrests and charges was due to fear of losing her nursing license and being unable to support herself as well as her child. Through the process of working a 12 step program of recovery, she has been given the skills to deal with my past. She has been active in a 12 step program of recovery and at not time or has she ever placed a patient or her job in jeopardy due to her addiction. Due to her anonymity, she has not disclosed her past to her employer. She had several surgeries in recovery including back surgery in 1997 for which she did not relapse. She believes that she has had a very strong recovery program and her coping skills through the grace of God are very strong. She takes full responsibility for her actions, her behavior and dishonesty and is in no way placing blame on anything or anyone for her dishonesty. She has enclosed letters of recommendations from Jenny Fromholz, LCDC and sponsor and James Nwanna, Assistant Administrator, Consolidated Community Resources, Inc. Home Health."
