BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse	§	AGREED
License Number 203710	§	
issued to AMANDA MICHELLE CONNALLY	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of AMANDA MICHELLE CONNALLY, Vocational Nurse License Number 203710, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on August 28, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Vernon College, Wichita Falls, Texas, on December 15, 2005. Respondent was licensed to practice vocational nursing in the State of Texas on April 11, 2006.
5. Respondent's nursing employment history includes:

4/2006-9/2007

LVN
Lakeridge Place
Wichita Falls, Texas

Respondent's nursing employment history continued:

9/2007-9/2008	LVN, Field Supervisor Wichita Home Health Primary Care Wichita Falls, Texas
9/2008-7/2010	LVN, United Regional Health Care Wichita Falls, Texas
9/2010-Present	LVN Community Health Care Clinic Wichita Falls, Texas

6. At the time of the incident, Respondent was employed as a LVN with United Regional Health Care, Wichita Falls, Texas, and had been in this position for one (1) year and ten (10) months.
7. On or about May 20, 2010, while employed with United Regional Health Care System, Wichita Falls, Texas, Respondent mixed Toradol and Phenergan, in the same syringe, for an intramuscular injection that she administered to Patient Medical Record Number 169691, which caused the patient to have an adverse reaction at the injection site. Respondent failed to document in the patient's medical record that the medication was administered, the patient's adverse reaction to the injection, or contacting the patient's physician to notify him of the patient's reaction to the medication. Respondent's conduct exposed the patient unnecessarily to risk of harm from ineffective treatment which, consequently, caused the patient to suffer increased joint pain that required additional medications and laboratory tests and delayed the patient's recovery. In addition, Respondent's conduct resulted in an incomplete medical record which was likely to deceive subsequent care givers who relied on the documentation while providing care to the patient.
8. In response to Finding of Fact Number Seven (7), Respondent states that she asked her co-workers, rather than calling the pharmacy or referring to a medication administration book, for advice regarding mixing the Toradol and Phenergan in the same syringe. Respondent states she has learned from this mistake and in her current place of employment she keeps a medication administration book with her. Respondent states she rarely administers medications because she works in a clinic.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(C),(1)(D)&(2)(A) and 22 TEX. ADMIN. CODE §217.12(1)(A)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 203710, heretofore issued to AMANDA MICHELLE CONNALLY, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
