BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 523884 §
issued to KAREN DEE BLACK § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of KAREN DEE BLACK, Registered Nurse License Number 523884, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on August 22, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received a Diploma in Nursing from Bishop Clarkson Memorial Hospital School of Nursing, Omaha, Nebraska, on June 1, 1972. Respondent was licensed to practice professional nursing in the State of Texas on July 1, 1985.

Respondent administered 100 units of insulin to the patient whose last finger stick blood sugar reading was documented 97 mg/dl and which would have indicated no insulin be given per the sliding scale order. The patient suffered a seizure shortly after the insulin was administered and was later diagnosed with metabolic encephalopathy related to prolonged hypoglycemia. The patient died. Respondent's conduct exposed the patient unnecessarily to a risk of harm from medical complications and may have contributed to the patient's demise.
