BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 572356 and Vocational §
Nurse License Number 133001 issued to §
M. BETTY ABIDDE § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of M. BETTY ABIDDE, Registered Nurse License Number 572356 and Vocational Nurse License Number 133001, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on June 3, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas. Respondent's license to practice vocational nursing in the State of Texas is currently in delinquent status.
4. Respondent received an Associate Degree in Nursing from Massachusetts Bay Community College, Framingham, Massachusetts on May 29, 1991. Respondent was licensed to practice professional nursing in the State of Texas on August 26, 1991.

5. Respondent's complete professional and vocational nursing employment history is unknown.
6. At the time of the incident described in Finding of Fact Number Seven (7), Respondent was utilizing her multistate licensure compact privilege associated with her license to practice professional nursing in the State of Texas and employed with Banner Good Samaritan Medical Center, Phoenix, Arizona as a Registered Nurse, and had been in this position for unknown length of time.
7. On or about December 13, 2009, while utilizing Respondent's multistate licensure compact privilege associated with her license to practice professional nursing in the State of Texas and employed with Banner Good Samaritan Medical Center, Phoenix, Arizona, Respondent was assigned to care for patient MR# 1552299 and failed to document and or recognize a significant neurological change in said patient. Additionally, Respondent failed to respond to alerts communicated to Respondent by other staff members throughout her shift, to changes in patient MR# 1552299's deteriorating condition and status. Respondent's conduct exposed the patient unnecessarily to risk of harm from ineffective assessment and delay of treatment which could result in the patient not receiving care needed.
8. In response to Finding of Fact Number Seven (7), Respondent states she did not observe any visible signs of stroke. Respondent states that a co-worker informed her that the patient appeared "different" but when Respondent went into patient's room she was unable to observe any changes.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(D)&(H) and 217.12(1)(A),(B)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 572356 and Vocational Nurse License Number 133001, heretofore issued to M. BETTY ABIDDE, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
