BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of Vocational Nurse                   §     AGREED  
License Number 147592                                 §  
issued to CELINA MELISSA COULTER                 §     ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CELINA MELISSA COULTER, Vocational Nurse License Number 147592, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9),(10)&(12), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on August 10, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Temple Junior College on May 11, 1994. Respondent was licensed to practice vocational nursing in the State of Texas on July 20, 1994.
5. Respondent's vocational nursing employment history includes:

07/1994 - 07/1996	LVN	Regency Manor Nursing Home Temple, Texas
-------------------	-----	---

Respondent's vocational nursing employment history continued:

07/1996 - 03/1998	LVN	Supplemental Staffing Location Unknown
03/1998 - 11/2000	LVN	Manor Care East Nursing Home Location Unknown
11/2000 - 08/2001	LVN	Austin Rehabilitation and Nursing Home Location Unknown
08/2001 - 09/2006	LVN	VA Hospital Temple, Texas
09/2006 - 10/2008	LVN	Medical Staffing Network Temple, Texas
02/2008 - Present	LVN	Scott and White Hospital Temple, Texas
02/2009 - Present	LVN	Regency Manor Nursing Home Temple, Texas

6. On or about October 3, 2008, while licensed as a Licensed Vocational Nurse in the State of Texas and seeking employment with Medical Staffing Network, Temple, Texas, Respondent engaged in the intemperate use of Propoxyphene and Norpropoxyphene, in that she produced a specimen for a pre-employment drug screen that resulted positive for Propoxyphene and Norpropoxyphene. The use of Propoxyphene and Norpropoxyphene by a Licensed Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger. Possession of Propoxyphene and Norpropoxyphene, without a valid prescription, is prohibited by Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
7. In response to Finding of Fact Number Six (6), Respondent states: "I did have severe dental work that was needing to be done and I had an appointment to be seen. I was in severe pain when visiting my mother, who in turn gave me two of her pain pills (Darvocet) until I could get to the dentist. I did get to the dentist, and had two rotten back teeth and an abscess. I have never taken any medication that was not prescribed to me in all of fifteen years of being a nurse. I regret the decision that I made at that time. Pain overrode my judgement. I did have dental surgery to correct the problem and they removed the two teeth that were rotten.

The only reason that I did not participate in the peer program was because I was having surgery and did not have the money at the time. I have no problem in taking random drug tests to resolve this issue.”

8. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(9),(10)&(12), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(5),(10)(A)(D),&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 147592, heretofore issued to CELINA MELISSA COULTER, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
