BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 640183 §
issued to JERI LYNN LETBETTER § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Bo considered the matter of JERI LYNN LETBETTER, Registered Nurse License Number 640183, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 18, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).

6. At the time of the initial incident as stated in Finding of Fact Number Seven (7), Respondent was employed as a Registered Nurse with Baylor Regional Medical Center, Grapevine, Texas, and had been in this position for approximately four (4) years and six (6) months.

Possession of Toradol is prohibited by Chapter 483 of the Texas Health and Safety Code (Dangerous Drug Act).

Dr. Lehman states that Respondent does not show symptoms consistent with a chemical dependency or chemical abuse diagnosis, and that she would benefit from counseling to address the issues of impulsiveness tendencies, additional training in Nursing Practice, and a year of drug monitoring.
