In the event that PAS is eliminated or in any way ceases to exist during the period of time in which Applicant is undergoing evaluation or monitoring, the Board may order substitution of another such program or the Board itself may monitor Applicant. Under such circumstances, monitoring terms may be subject to amendment or revision, as the Board, in its discretion, determines necessary to establish terms substantially equivalent to those set forth in this Order and all provisions of this Order concerning PAS shall be applicable to the substituted program. Additionally, Applicant hereby agrees that any release or authorization granted to PAS shall also apply to any subsequent program during the effective period of this Order.

10. By entering into this Order, Applicant agrees **to complete the intake to participate in PAS within three (3) days of the effective date of this Order.** Failure to complete the intake within three (3) days of the effective date of this Order shall constitute a violation of this Order.

11. Applicant shall be evaluated by PAS to determine an appropriate monitoring and treatment plan. Applicant agrees to comply with all terms and conditions determined by PAS, and shall enter into a written contract with PAS, setting forth such terms and conditions (the "PAS Contract"). Respondent authorizes the Board to re-disclose and make public, consistent with Board policy, information obtained from PAS necessary for the limited purposes of enforcing this Order, seeking sanctions for non-compliance with this Order, or other purposes authorized in the Nurse Practice Act, sections 12-38-101 to -133, C.R.S. Medical records shall not become public records by virtue of such use. Any revocation of any release or authorization by Respondent concerning such confidential information shall constitute a violation of this Order.

14. Within two (2) weeks of the effective date of this Order, and within two (2) weeks of obtaining nursing employment at any time during the pendency of this Order, Applicant shall provide a copy of this Order to the immediate nursing supervisor at Applicant's place of employment.

POSSIBLE SANCTIONS FOR VIOLATION OF THIS ORDER

15. Applicant acknowledges that PAS shall provide a report to the Board within 24 hours, or the next working day, of Applicant's termination from PAS for any reason other than successful completion. Termination from PAS may occur for failure to comply with Applicant's treatment plan or failure to comply with any term of the PAS Contract, or upon a finding by PAS that Applicant is unable to practice nursing with reasonable skill and safety to the patients. PAS may also refer Applicant to the Board for non-compliance not resulting in termination from PAS. Following notification of Applicant's non-compliance with PAS or termination from PAS, the Board may take appropriate action as authorized by the Nurse Practice Act, section 12-38-101 *et seq.* C.R.S., and/or this Order.
16. Applicant acknowledges that if Applicant is referred to the Board for non-compliance, documents kept in the possession of PAS regarding Applicant will be sent to the Board.
17. If at any time during the duration of this Order, Applicant fails to attend or complete PAS, the Board may, as provided by section 12-38-131(4), C.R.S., immediately suspend Applicant's license to practice practical nursing.
- a. In the event that the Board suspends Applicant's license for failing to attend or complete PAS, the Board shall send an Order of Suspension to Applicant by first class mail to Applicant's address of record with the Board. Such suspension shall be effective three days after the Order of Suspension is mailed by first class mail, postage prepaid, to Applicant's address of record.
 - b. In the case of such suspension, the Board shall lift the suspension upon review of evidence establishing that Applicant has resumed compliance with PAS.
 - c. Within ten (10) days of the receipt of an Order of Suspension, Respondent may request a hearing contesting the allegation(s) that led to the section 12-38-131, C.R.S., suspension. In the hearing, the Respondent shall bear the burden of proving that the license should not be suspended. Such hearing will be limited to the issue of whether Respondent failed to attend or complete the program. A request for hearing will not stay the suspension of Respondent's license.
18. If at any time during the duration of this Order, Applicant violated any term of this Order other than as addressed in the above paragraph, the Board may, as provided by section 12-38-116.5(4)(c)(IV), C.R.S., suspend Applicant's license to

practice practical nursing until such time as Applicant complies with such conditions or may revoke Applicant's license to practice nursing.

a. In the event that the Board suspends or revokes Applicant's license pursuant to section 12-38-116.5(4)(c)(IV), C.R.S., the Board shall send either an Order of Suspension or Order of Revocation to Applicant by first class mail to Applicant's address of record with the Board. Such suspension or revocation shall be effective three days after the date the Order of Suspension or Order of Revocation is mailed by first class mail, postage prepaid, to Applicant's address of record.

b. In the case of a suspension, the Board shall lift the suspension upon review of evidence establishing that Applicant has resumed compliance with this Order.

c. In the case of a revocation, the Applicant may not resume the practice of nursing unless and until Applicant successfully applies for and is granted a new license to practice nursing pursuant to the Nurse Practice Act, sections 12-38-101 to -133 C.R.S.

d. Within ten (10) days of the receipt of an Order of Suspension or Order of Revocation, Respondent may request a hearing contesting the allegation(s) that led to the section 12-38-116.5(4)(c)(IV), C.R.S., suspension or revocation. In the hearing, the Respondent shall bear the burden of proving that the license should not be suspended or revoked. Such hearing will be limited to the issue of whether Respondent complied with all terms of this Order. A request for hearing will not stay the suspension or revocation or Respondent's license.

19. In addition to any remedy set forth above, the Board may commence disciplinary proceedings pursuant to sections 12-38-116.5, 24-4-104 and -105, C.R.S., for any additional act subject to discipline under section 12-38-117, C.R.S. In the event of a subsequent disciplinary hearing, this Order shall be admissible into evidence. In the event the facts that constitute the alleged violation of this Order are determined to be unproven, no disciplinary action shall be taken by the Board, and this Order shall remain operative and in full force and effect. The pendency of any disciplinary action pursuant to this Order shall not affect the obligation of Applicant to comply with the terms of this Order.

OTHER TERMS

20. At the end of Applicant's PAS Contract, Applicant will provide written proof to the Board of successful completion of the PAS Contract. If the Board finds that Applicant adhered to all terms of this Order, then this proceeding shall be concluded.

21. By signing this Order, Applicant authorizes PAS to release to the Board a copy of Applicant's signed PAS application and signed PAS contract.
22. In the event of relocation to another state Respondent's requirements under this Order will be stayed until completed, except as otherwise provided in this Order.
23. In the event of relocation to another state that is not a member of the Nurse Licensure Compact, sections 24-60-3201 and -3202, C.R.S. (non-party state), Applicant shall notify the Board of the change of address within thirty (30) days of such relocation. Applicant acknowledges that the Board may notify the Board of Nursing, or the equivalent regulatory agency in any state to which Applicant relocates or applies for a health care license, of the existence and terms of, and Applicant's compliance with, this Order.
24. In the event of relocation to a state, that is a member of the Nurse Licensure Compact (party state), Applicant shall obtain prior written authorization from the Board and from the equivalent regulatory agency in the other party state to which Applicant is relocating, in order to practice nursing in the other party state.
25. Applicant may request to complete the requirements of this Order while relocated to another state by submitting verifiable written proof of practice under the same or similar conditions as required by this Order. The decision whether or not to grant credit for nursing practice in another state shall rest exclusively in the discretion of the Board.
26. Applicant shall comply with all provisions of the Nurse Practice Act, all rules and regulations of the Board and obey all other state and federal laws while the terms of this Order are in effect.
27. Both parties acknowledge that the terms of this Order were mutually negotiated and determined.
28. Both parties acknowledge that they understand the legal consequences of this Order, both parties enter into this Order voluntarily, and both parties agree that no term or condition of this Order is unconscionable.
29. All costs and expenses incurred by Applicant to comply with this Order shall be the sole responsibility of Applicant, and shall not in any way be the obligation of the Board.
30. This Order shall become an order of the Board when approved by the Board and signed by an authorized Board representative.

31. In the event this Order is not signed by an authorized Board representative, it shall be void and Applicant shall not be bound by any provisions hereof or admissions herein.

32. Upon signature by an authorized Board representative, this Order and all of its terms shall have the same force and effect as an order entered after a formal hearing pursuant to section 12-38-118, C.R.S., except that it may not be appealed. This Order and all of its terms also constitute an order of the Board for purposes of section 12-38-117(1)(g), C.R.S., and any violation of this Order may constitute grounds for further disciplinary sanctions.

33. This Order shall be admissible as evidence at any future hearing before the Board.

34. During the pendency of any action arising out of this Order, the obligations of the parties shall be deemed to be in full force and effect and shall not be tolled.

35. Upon becoming effective, this Order shall become a permanent part of the record and shall be open to public inspection and publicized pursuant to the Board's standard policies and procedures. Additionally, this Order shall be reported to the National Council of State Boards of Nursing, the Healthcare Integrity and Protection Data Bank and as otherwise required by state or federal law.

7. The Board is authorized by sections 12-38-116(4)(c)(III) and -118, C.R.S. to order such conditions upon Applicant's practice as deemed necessary, which are set forth in this Order.

8. The Board is authorized to suspend, revoke or otherwise discipline any licensee as provided in section 12-38-108(1)(b.5), C.R.S., for any of the following:

12-38-117. Grounds for discipline. (1) "Grounds for discipline," as used in this article, means any action by any person who:

(b)(I) Has been convicted of a felony or any crime that would constitute a violation of this article.

PARTICIPATION IN THE PEER ASSISTANCE SERVICES

9. By entering into this Order, Applicant voluntarily requests, and the Board grants, permission to participate in the Board's nursing peer health

assistance/alternative to discipline program, as provided by, and also known as, Peer Assistance Services ("PAS") pursuant to section 12-38-131, C.R.S. In the event that PAS is eliminated or in any way ceases to exist during the period of time in which Applicant is undergoing evaluation or monitoring, the Board may order substitution of another such program or the Board itself may monitor Applicant. Under such circumstances, monitoring terms may be subject to amendment or revision, as the Board, in its discretion, determines necessary to establish terms substantially equivalent to those set forth in this Order and all provisions of this Order concerning PAS shall be applicable to the substituted program. Additionally, Applicant hereby agrees that any release or authorization granted to PAS shall also apply to any subsequent program during the effective period of this Order.

10. By entering into this Order, Applicant agrees **to complete the intake to participate in PAS within three (3) days of the effective date of this Order.** Failure to complete the intake within three (3) days of the effective date of this Order shall constitute a violation of this Order.

11. Applicant shall be evaluated by PAS to determine an appropriate monitoring and treatment plan. Applicant agrees to comply with all terms and conditions determined by PAS, and shall enter into a written contract with PAS, setting forth such terms and conditions (the "PAS Contract"). Failure to **sign the PAS Contract within fourteen (14) days** of the effective date of this Order shall constitute a violation of this Order.

12. By entering into this Order, Applicant authorizes the Board to request and receive information, which would otherwise be confidential, that is related to Applicant from any healthcare professional providing services pursuant to Applicant's involvement in PAS. Additionally, Applicant authorizes the Board to release Board records to any healthcare professional providing services pursuant to Applicant's involvement in PAS.

13. This information may include alcohol and drug abuse treatment program records that may be confidential under federal or state law. Respondent authorizes the Board to re-disclose and make public, consistent with Board policy, information obtained from PAS necessary for the limited purposes of enforcing this Order, seeking sanctions for non-compliance with this Order, or other purposes authorized in the Nurse Practice Act, sections 12-38-101 to -133, C.R.S. Medical records shall not become public records by virtue of such use. Any revocation of any release or authorization by Respondent concerning such confidential information shall constitute a violation of this Order.

14. Within two (2) weeks of the effective date of this Order, and within two (2) weeks of obtaining nursing employment at any time during the pendency of this Order, Applicant shall provide a copy of this Order to the immediate nursing supervisor at Applicant's place of employment.

POSSIBLE SANCTIONS FOR VIOLATION OF THIS ORDER

15. Applicant acknowledges that PAS shall provide a report to the Board within 24 hours, or the next working day, of Applicant's termination from PAS for any reason other than successful completion. Termination from PAS may occur for failure to comply with Applicant's treatment plan or failure to comply with any term of the PAS Contract, or upon a finding by PAS that Applicant is unable to practice nursing with reasonable skill and safety to the patients. PAS may also refer Applicant to the Board for non-compliance not resulting in termination from PAS. Following notification of Applicant's non-compliance with PAS or termination from PAS, the Board may take appropriate action as authorized by the Nurse Practice Act, section 12-38-101 *et seq.* C.R.S., and/or this Order.
16. Applicant acknowledges that if Applicant is referred to the Board for non-compliance, documents kept in the possession of PAS regarding Applicant will be sent to the Board.
17. If at any time during the duration of this Order, Applicant fails to attend or complete PAS, the Board may, as provided by section 12-38-131(4), C.R.S., immediately suspend Applicant's license to practice practical nursing.
- a. In the event that the Board suspends Applicant's license for failing to attend or complete PAS, the Board shall send an Order of Suspension to Applicant by first class mail to Applicant's address of record with the Board. Such suspension shall be effective three days after the Order of Suspension is mailed by first class mail, postage prepaid, to Applicant's address of record.
 - b. In the case of such suspension, the Board shall lift the suspension upon review of evidence establishing that Applicant has resumed compliance with PAS.
 - c. Within ten (10) days of the receipt of an Order of Suspension, Respondent may request a hearing contesting the allegation(s) that led to the section 12-38-131, C.R.S., suspension. In the hearing, the Respondent shall bear the burden of proving that the license should not be suspended. Such hearing will be limited to the issue of whether Respondent failed to attend or complete the program. A request for hearing will not stay the suspension of Respondent's license.
18. If at any time during the duration of this Order, Applicant violated any term of this Order other than as addressed in the above paragraph, the Board may, as provided by section 12-38-116.5(4)(c)(IV), C.R.S., suspend Applicant's license to

practice practical nursing until such time as Applicant complies with such conditions or may revoke Applicant's license to practice nursing.

a. In the event that the Board suspends or revokes Applicant's license pursuant to section 12-38-116.5(4)(c)(IV), C.R.S., the Board shall send either an Order of Suspension or Order of Revocation to Applicant by first class mail to Applicant's address of record with the Board. Such suspension or revocation shall be effective three days after the date the Order of Suspension or Order of Revocation is mailed by first class mail, postage prepaid, to Applicant's address of record.

b. In the case of a suspension, the Board shall lift the suspension upon review of evidence establishing that Applicant has resumed compliance with this Order.

c. In the case of a revocation, the Applicant may not resume the practice of nursing unless and until Applicant successfully applies for and is granted a new license to practice nursing pursuant to the Nurse Practice Act, sections 12-38-101 to -133 C.R.S.

d. Within ten (10) days of the receipt of an Order of Suspension or Order of Revocation, Respondent may request a hearing contesting the allegation(s) that led to the section 12-38-116.5(4)(c)(IV), C.R.S., suspension or revocation. In the hearing, the Respondent shall bear the burden of proving that the license should not be suspended or revoked. Such hearing will be limited to the issue of whether Respondent complied with all terms of this Order. A request for hearing will not stay the suspension or revocation or Respondent's license.

19. In addition to any remedy set forth above, the Board may commence disciplinary proceedings pursuant to sections 12-38-116.5, 24-4-104 and -105, C.R.S., for any additional act subject to discipline under section 12-38-117, C.R.S. In the event of a subsequent disciplinary hearing, this Order shall be admissible into evidence. In the event the facts that constitute the alleged violation of this Order are determined to be unproven, no disciplinary action shall be taken by the Board, and this Order shall remain operative and in full force and effect. The pendency of any disciplinary action pursuant to this Order shall not affect the obligation of Applicant to comply with the terms of this Order.

OTHER TERMS

20. At the end of Applicant's PAS Contract, Applicant will provide written proof to the Board of successful completion of the PAS Contract. If the Board finds that Applicant adhered to all terms of this Order, then this proceeding shall be concluded.

21. By signing this Order, Applicant authorizes PAS to release to the Board a copy of Applicant's signed PAS application and signed PAS contract.

22. In the event of relocation to another state Respondent's requirements under this Order will be stayed until completed, except as otherwise provided in this Order.

23. In the event of relocation to another state that is not a member of the Nurse Licensure Compact, sections 24-60-3201 and -3202, C.R.S. (non-party state), Applicant shall notify the Board of the change of address within thirty (30) days of such relocation. Applicant acknowledges that the Board may notify the Board of Nursing, or the equivalent regulatory agency in any state to which Applicant relocates or applies for a health care license, of the existence and terms of, and Applicant's compliance with, this Order.

24. In the event of relocation to a state, that is a member of the Nurse Licensure Compact (party state), Applicant shall obtain prior written authorization from the Board and from the equivalent regulatory agency in the other party state to which Applicant is relocating, in order to practice nursing in the other party state.

25. Applicant may request to complete the requirements of this Order while relocated to another state by submitting verifiable written proof of practice under the same or similar conditions as required by this Order. The decision whether or not to grant credit for nursing practice in another state shall rest exclusively in the discretion of the Board.

26. Applicant shall comply with all provisions of the Nurse Practice Act, all rules and regulations of the Board and obey all other state and federal laws while the terms of this Order are in effect.

27. Both parties acknowledge that the terms of this Order were mutually negotiated and determined.

28. Both parties acknowledge that they understand the legal consequences of this Order, both parties enter into this Order voluntarily, and both parties agree that no term or condition of this Order is unconscionable.

29. All costs and expenses incurred by Applicant to comply with this Order shall be the sole responsibility of Applicant, and shall not in any way be the obligation of the Board.

30. This Order shall become an order of the Board when approved by the Board and signed by an authorized Board representative.

31. In the event this Order is not signed by an authorized Board representative, it shall be void and Applicant shall not be bound by any provisions hereof or admissions herein.

32. Upon signature by an authorized Board representative, this Order and all of its terms shall have the same force and effect as an order entered after a formal hearing pursuant to section 12-38-118, C.R.S., except that it may not be appealed. This Order and all of its terms also constitute an order of the Board for purposes of section 12-38-117(1)(g), C.R.S., and any violation of this Order may constitute grounds for further disciplinary sanctions.

33. This Order shall be admissible as evidence at any future hearing before the Board.

34. During the pendency of any action arising out of this Order, the obligations of the parties shall be deemed to be in full force and effect and shall not be tolled.

35. Upon becoming effective, this Order shall become a permanent part of the record and shall be open to public inspection and publicized pursuant to the Board's standard policies and procedures. Additionally, this Order shall be reported to the National Council of State Boards of Nursing, the Healthcare Integrity and Protection Data Bank and as otherwise required by state or federal law.
