\*\*\*\*\*

In the Matter of Registered Nurse           §        AGREED  
License Number 783855                       §  
issued to MATT ALAN NICHOLS           §        ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the considered the matter of MATT ALAN NICHOLS, Registered Nurse License Number 783855, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(1)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on January 29, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Victoria College, Victoria, Texas, on May 1, 2008. Respondent was licensed to practice professional nursing in the State of Texas on April 27, 2010.
5. Respondent has not been employed in nursing.
6. On December 30, 2009 Respondent was issued an Order of Conditional Eligibility by the Texas Board of Nursing that required Respondent to participate in and successfully complete the Texas Peer Assistance Program for Nurses (TPAPN). A copy of the December 30, 2009, Agreed Order, Findings of Fact and Conclusions of Law, is attached and incorporated, by reference, as part of this Order.

7. On or about May 19, 2010, Respondent became non-compliant with the Order of Conditional Eligibility issued to him by the Texas Board of Nursing on December 30, 2009. Non-compliance is the result of his failure to apply and be accepted into the Texas Peer Assistance Program for Nurses (TPAPN) in that when he was contacted by TPAPN, he declined participation. Stipulation Number One (1) of the Order of Conditional Eligibility dated December 30, 2009, reads, in pertinent part:
  - (1) APPLICANT SHALL, within forty-five (45) days of initial licensure, apply to and be accepted into the TPAPN, which SHALL include payment of a non-refundable participation fee in the amount of five hundred dollars (\$500.00) payable to TPAPN.
8. In response to Finding of Fact Number Seven (7), Respondent states that when he received his order he was under the impression that TPAPN would consist of random drug screens and testing. At this time he had been waiting over a year and a half for the Board to come to some decision as to whether he would be allowed to obtain a license and just wanted to start his career and progress forward with his life. Respondent states once he was explained all the terms of TPAPN, he was shocked at the severity of the terms, but after some thought decided to participate. However, Respondent states that when he learned he would have to attend ninety (90) consecutive days of support group meetings and then four (4) support group meetings a week for the next two years, he felt it was "over the top". Additionally, Respondent states that it has been over two (2) years since he has been around any type of illegal drug and would like to start his life anew and start a family in his career of choice.
9. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(1)&(10), Texas Occupations Code and 22 TEX. ADMIN. CODE §217.12(9) and (11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 783855, heretofore issued to MATT ALAN NICHOLS, including revocation of Respondent's license(s) to practice nursing in the State of Texas.

In the Matter of  
MATT ALAN NICHOLS  
APPLICANT for Eligibility for  
Licensure

§  
§  
§  
§

ORDER OF  
CONDITIONAL ELIGIBILITY

On the date entered below, the Texas Board of Nursing, hereinafter referred to as the Board, considered the Application for Licensure by Examination Order and supporting documents filed by MATT ALAN NICHOLS, hereinafter referred to as APPLICANT, together with any documents and information gathered by staff and APPLICANT's Certificate contained herein. Information received by the Board produced evidence that APPLICANT may be ineligible for licensure pursuant to the Occupations Code 301.452(b)(3),(10)&(12).

APPLICANT waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on March 10, 2009, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. On or about March 19, 2008, Applicant submitted an Application for Licensure by Examination requesting a determination of eligibility for licensure in compliance with Section 301.257 of the Texas Occupations Code and the Board's Rule at 22 Texas Administrative Code Section 213.30.
2. Applicant waived representation, notice, administrative hearing, and judicial review.
3. Applicant graduated with an Associate Degree in Nursing from Victoria College, Victoria, Texas, in May 2008.
4. Applicant completed the Application for Licensure by Examination and answered "yes" to the question which reads: *"For any criminal offense, including those pending appeal, have you."*

- A. *been convicted of a misdemeanor?*
- B. *been convicted of a felony?*
- C. *pled nolo contendere, no contest, or guilty?*
- D. *received deferred adjudication?*
- E. *been placed on community supervision or court-ordered probation, whether or not adjudicated guilty?*
- F. *been sentenced to serve jail or prison time? court-ordered confinement?*
- G. *been granted pre-trial diversion?*
- H. *been arrested or any pending criminal charges?*
- I. *been cited or charged with any violation of the law?*
- J. *been subject of a court-martial; Article 15 violation, or received any form of military judgment/punishment/action?"*

5. Applicant disclosed the following criminal history, to wit:

- A. On September 14, 2000, Applicant entered a plea of guilty to the Class A misdemeanor offense of Burglary of a Vehicle, Cause No. 001266, in the County Court at Law No. 1 of Port Lavaca County, Texas. Petitioner was sentenced to three hundred sixty-five (365) days probation.
- B. On May 30, 2000, Petitioner was charged with eleven (11) counts of the Class B misdemeanor offense of Criminal Mischief > \$50 < \$500, in the County Court at Law of Port Lavaca County, Texas. Proceedings were deferred without an adjudication of guilt and Petitioner was placed on probation for six (6) months for each count.
- C. On May 30, 2000, Petitioner was charged with the Class A misdemeanor offense of Criminal Mischief >= \$500 < \$1,500, in the County Court at Law of Port Lavaca County, Texas. Proceedings were deferred without an adjudication of guilt and Petitioner was placed on probation for six (6) months.
- D. On September 14, 2000, Petitioner was charged with the Class B misdemeanor offense of Criminal Mischief > \$50 < \$500, Cause No. 001266, in the County Court at Law No. 1 of Port Lavaca County, Texas. Proceedings were deferred without an adjudication of guilt and Petitioner was placed on probation for three hundred sixty-five (365) days.
- E. On April 25, 2003, Applicant entered a plea of guilty to the Class A misdemeanor offense of Criminal Mischief, Cause No. 02-CR-457, in the County Court at Law No. 1 of Calhoun County, Texas. Proceedings were deferred without an adjudication of guilt and Applicant was placed on probation for six (6) months.

6. There is no evidence of any subsequent criminal conduct.

7. On January 13, 2009, Petitioner was seen by Troy Martinez, Psy.D., to undergo a Forensic Psychological Evaluation and a Polygraph Examination. Current psychological testing failed to identify clinically significant psycho-pathology with the exception of drug use (marijuana) abuse/dependence, though abstinence has been achieved and sustained since April 2008. At this point, Petitioner appears to have arrived at a considerably more mature stage of psychological development. At present, Dr. Martinez considers cannabis abuse/dependence, recently abstained, as the single problematic element within Petitioner's mental health profile. As such, if deemed eligible for licensure, Dr. Martinez would strongly recommend that he be referred to TPAPN for drug counseling, support, monitoring, and testing for a period of at least 2 years. Otherwise, Dr. Martinez contributes his prior criminal activities and reckless behavior to youthful immaturity that he believes has adequately stabilized across the past few years as reflected in pro-social behavior with the exception of periodic marijuana use. With that said and contingent upon complete abstinence from drugs of abuse, Dr. Martinez believes that Petitioner is capable of conducting himself in accordance with the requirements of Rules 213.27-213.29 at 22 TAC, is capable of consistently behaving in accordance with the minimal standards set by the Board Rule 217.11 at 22 TAC, and would be able to consistently behave in accordance with generally accepted nursing standards, and consistently be able to avoid behaviors identified by the Board as constituting unprofessional conduct.
8. Applicant presented evidence of current fitness to practice professional nursing.
9. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
10. The Executive Director considered evidence of Applicant's substance abuse and subsequent rehabilitation as provided in §213.29, 22 Texas Administrative Code.
11. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Applicant.
12. Applicant has sworn that, with the exception of matters disclosed in connection with the Application for Licensure by Examination, his past behavior conforms to the Board's professional character requirements. Applicant presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
13. On March 10, 2009, the Executive Director considered evidence of Applicant's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Applicant currently demonstrates the criteria required for good professional character.

14. In consideration of Applicant's past conduct and subsequent evidence of rehabilitation, the Executive Director finds that Applicant should be declared conditionally eligible to take the National Council Licensure Examination for Registered Nurses.
15. Applicant's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

#### CONCLUSIONS OF LAW

1. The Texas Board of Nursing has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Applicant has submitted an Application for Licensure by Examination requesting a determination of eligibility for licensure in compliance with Section 301.257 of the Texas Occupations Code and the Board's Rule at 22 Texas Administrative Code Section 213.30.
3. Applicant shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b)(3),(10)&(12), Texas Occupations Code.
4. The Texas Board of Nursing may license an individual who has a history of substance abuse, after consideration of the criteria set out in 22 Texas Administrative Code §213.29, the Board determines the Applicant does not currently pose a direct threat to the health and safety of patients or the public.
5.
