ORDER OF
CONDITIONAL ELIGIBILITY

On the date entered below, the Texas Board of Nursing, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by LATASHA MONIQUE CHATMAN, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on December 28, 2008, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about April 11, 2008, Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 of the Texas Occupations Code and the Board's Rule at 22 Texas Administrative Code Section 213.30.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner was not enrolled in a Professional Nursing Program at the time of this petition.
4. Petitioner completed the Petition for Declaratory Order and answered "yes" to the question which reads in part as follows: *"For any criminal offense, including those pending appeal, have you:*
 - A. *been convicted of a misdemeanor?*
 - B. *been convicted of a felony?*

- C. *pled nolo contendere, no contest, or guilty?*
- D. *received deferred adjudication?*
- E. *been placed on community supervision or court-ordered probation, whether or not adjudicated guilty?*
- F. *been sentenced to serve jail or prison time? court-ordered confinement?*
- G. *been granted pre-trial diversion?*
- H. *been arrested or any pending criminal charges?*
- I. *been cited or charged with any violation of the law?*
- J. *been subject of a court-martial; Article 15 violation, or received any form of military judgment/punishment/action?"*

5. Petitioner disclosed the following criminal history, to wit:

On January 27, 2000, Petitioner entered a plea of guilty to the state jail felony offense of Possession, of Marijuana in the 232nd District Court of Harris County, Texas. Proceedings were deferred without an adjudication of guilt and Petitioner was placed on three (3) years probation. On February 20, 2002, Petitioner completed all terms of probation.

6. There is no evidence of any subsequent criminal conduct.

7. On November 6, 2008, Petitioner was seen by Joyce M. Gayles, PhD., to undergo a forensic psychological evaluation with a chemical dependency component and a polygraph examination. Results from the evaluation show no indications of mental illness, emotional instability, or propensity toward illegal or criminal activity. Petitioner denies use of alcohol or use of illegal substances for the last 10 years. Results from the SASSI-3 indicate a low probability that Petitioner is substance dependent. Based on these results, Dr. Garyles believes that Petitioner can fulfill the duties and responsibilities, and engage in conduct that is required of a professional nurse according to Board Rules 213.27 - 213.29 and 217.11 - 217.12. The likelihood that Petitioner would engage in unethical or unprofessional conduct is low.

8. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public, provided Petitioner complies with the stipulations outlined in this Order.

9. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.

10. Petitioner has sworn that her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.

11. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.

12. On December 28, 2008, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

CONCLUSIONS OF LAW

1. The Texas Board of Nursing has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 of the Texas Occupations Code and the Board's Rule at 22 Texas Administrative Code Section 213.30.
3. Petitioner's criminal history reflects criminal conduct which constitutes grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.
6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
