

BEFORE THE TEXAS BOARD OF NURSING

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Patricia Thomas
Executive Director of the Board

In the Matter of Vocational Nurse § AGREED
License Number 175384 §
issued to CHERI RENAE TEAGUE § ORDER

An investigation by the Texas Board of Nursing, hereinafter referred to as the Board, produced evidence indicating that CHERI RENAE TEAGUE, hereinafter referred to as Respondent, Vocational Nurse License Number 175384, may have violated Section 301.452(b)(10)&(13), Texas Occupations Code.

An informal conference was held on June 15, 2010, at the office of the Texas Board of Nursing, in accordance with Section 301.464 of the Texas Occupations Code.

Respondent appeared in person. Respondent was represented by Nancy Roper Willson, Attorney at Law. In attendance were Katherine A. Thomas, MN, RN, Executive Director; Kyle Hensley, Assistant General Counsel; Anthony L. Diggs, MSCJ, Director, Enforcement Division; Soraya Trammell, Administrative Assistant; and Carolyn Schooley, RN, Investigator.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived notice and hearing, and consented to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Hill Junior College, Hillsboro, Texas, on December 1, 1999. Respondent was licensed to practice vocational nursing in the State of Texas on February 18, 2000.

5. Respondent's vocational nursing employment history includes:

2/00 - 8/00	Staff Nurse Medical/Surgical	Hill Regional Hospital Hillsboro, Texas
9/00 - 12/00	Temporary Staffing Office Nurse	Dr. William Featherston Dallas, Texas
1/01 - 6/03	Office Nurse	Asthma and Allergy Specialist Dallas, Texas
11/02 - 1/06	Staff Nurse Home Care-Pediatrics	Maxim Healthcare Dallas, Texas
2/06 - 6/08	Staff Nurse Home Care	Pediatric Services of America, Inc. Dallas, Texas
7/08 - 10/08	Staff Nurse	Maxim Pediatric Home Health McKinney, Texas
9/08 - 2/09	Staff Nurse Pediatric Home Health	Legacy Home Health Care Plano, Texas
3/09 - Present	Staff Nurse	Children's Home Healthcare Van Alstyne, Texas

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed as a Staff Nurse with Pediatric Services of America, Inc., Dallas, Texas, and had been in this position for seven (7) months.

7. On or about September 7, 2006, while employed as a Staff Nurse with Pediatric Services of America, Inc., Dallas, Texas, Respondent failed to appropriately monitor, assess and intervene when Patient Medical Record Number 168919, a four (4) year old ventilator dependent patient, was left unattended after being placed in a vertical stander, a device used as part of the patient's physical therapy routine, and was subsequently found unresponsive. During the time the patient was in the stander, she remained on the ventilator; however, Respondent chose to attach a pulse oximeter that was not equipped with an alarm. Approximately forty-five (45) minutes after being placed in the stander, Respondent found the patient with flaccid arms, head turned to the side and her eyes closed, and Respondent was unable to obtain a pulse oximeter reading. Instead of initiating Emergency Medical Services (EMS) at this point, Respondent opted to reposition the finger probe on the pulse oximeter, changed the tracheostomy tube and attempted to ventilate the patient without success. During this time, Respondent also failed to reposition the patient's head when ventilation attempts were unsuccessful. Respondent called EMS at this time, approximately

ten (10) to fifteen (15) minutes after discovering the unresponsive patient. Emergency personnel arrived and vital signs returned after five (5) minutes of effective resuscitation, and the patient was transferred to an acute care facility where it was determined that the patient had suffered irreversible brain damage. Respondent's conduct may have contributed to the patient suffering from irreversible brain damage due to lack of oxygen to the brain.

8. On or about September 7, 2006, while employed as a Staff Nurse with Pediatric Services of America, Inc., Dallas, Texas, Respondent failed to maintain the integrity of the medical records for the aforementioned Patient Medical Record Number 168919 in that the Ventilator Data Sheets, which contained documentation of the current ventilator settings for September 6, 2006, through September 7, 2006, were missing from the medical record. Respondent states that she had been instructed by the agency legal counsel not to contact the family regarding the medical records left in the home. Furthermore, when the ventilator was returned to the supplier it was noted that the ventilator settings were not as ordered by the physician. Respondent documented the ventilator settings later that day in the office based on the documentation by the previous nurse instead of referring to the actual physician's order. Respondent's conduct resulted in an inaccurate, incomplete medical record.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent denies the allegations stating that she was experienced in caring for ventilator dependent patients because of the ventilator class that she successfully completed, even though she had no experience working in an intensive care, critical care or pediatric critical care setting. Respondent asserts that, at the time of the incident, she had been caring for the child for seven (7) months and felt she was competent to care for the child. Respondent does admit that she documented the ventilator settings from the documentation by previous nurses and not from the physician's orders.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A),(1)(B), (1)(D),(1)(M),(1)(T)&(2)(A) and 217.12(1)(A),(1)(B),(1)(C),(1)(E)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 175384, heretofore issued to CHERI RENA E TEAGUE, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
