BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse	§	AGREED
License Number 197059	§	
issued to STEPHANIE MARIE MENDOZA	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the B considered the matter of STEPHANIE MARIE MENDOZA, Vocational Nurse License Number 197059, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10). Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on May 5, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from St. Philip's College, San Antonio, Texas on December 10, 2004. Respondent was licensed to practice vocational nursing in the State of Texas on January 25, 2005.
5. Respondent's vocational nursing employment history includes:

01/2005 - 02/2010	LVN	Baptist Medical Center San Antonio, Texas
02/2010 - Present	Employment history unknown.	

6. At the time of the initial incident, Respondent was employed as a vocational nurse with Baptist Medical Center, San Antonio, Texas, and had been in this position for five (5) years and one (1) month.
7. On or about February 10, 2010, while employed as a Licensed Vocational Nurse with Baptist Medical Center, San Antonio, Texas, Respondent submitted a fraudulent prescription for Ambien to HEB Pharmacy, San Antonio, Texas. Additionally, Respondent admitted to submitting the fraudulent prescription. Respondent's conduct was likely to deceive the pharmacy and possession of Ambien through use of a fraudulent telephonically communicated prescription is prohibited by Chapter 481 of the Texas Health and Safety Code (Controlled Substances Act).
8. In response to Finding of Fact Number Seven (7), Respondent states: "I regret writing the prescription for Ambien. My primary care physician had prescribed Ambien for me in the past and Dr. Chen had also agreed to give me the prescription. I didn't need to do it myself. I wasn't thinking the way that I normally would. I was under a tremendous amount of stress due to my hours being cut at work. I was working at Baptist Medical Center and North East Baptist. I wasn't getting any sleep. I was using the Ambien during the day, after I would take my kids to school, in case I was needed to work that night.."

4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 197059, heretofore issued to STEPHANIE MARIE MENDOZA, including revocation of Respondent's license to practice vocational nursing in the State of Texas.
