I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

NUNC PRO TUNC ORDER OF THE BOARD

TO: Jessie Walker
c/o Dan Lye, Attorney at Law
1602 E. 7th Street
Austin, TX 78704

During open meeting held in Austin, Texas, the Texas Board of Nursing (Board) finds that an Agreed Order of the Board was mistakenly ratified and entered for Jessie Walker. The Agreed Order, signed by Ms. Walker on June 25, 2010, mistakenly referred to "vocational" nurse on page 1 of the Agreed Order. Upon notice and hearing, administrative agencies, like the Courts, have the power to enter nunc pro tunc orders where it can be seen by reference to a record that what was intended to be entered, but was omitted by inadvertence or mistake, can be corrected upon satisfactory proof of its rendition provided that no intervening rights will be prejudiced. *Railroad Comm'n v. McClain*, 356 S.W.2d 330, 334 (Tex. App.--Austin 1962, no writ) (citing *Frankfort Ky. Nat. Gas Co. v. City of Frankfort*, 276 Ky. 199, 123 S.W.2d 270, 272).

The Executive Director, as agent of the Texas Board of Nursing, after review and due consideration of the record and the facts therein, invalidates the Agreed Order of the Board for Jessie Walker that was mistakenly ratified and entered on August 17, 2010, and submits and enters the corrected Agreed Order of the Board, which replaces the reference to "vocational" nurse on page 1 with a reference to "registered" nurse. Ms. Walker received due process regarding her license; therefore, her rights have not been prejudiced.

NOW, THEREFORE, IT IS ORDERED that the corrected Agreed Order of the Board is hereby approved and entered on the dates set forth below.

Order effective August 17, 2010

Entered this 26th day of August, 2010.

TEXAS BOARD OF NURSING

BY:

KATHERINE A. THOMAS, MN, RN
EXECUTIVE DIRECTOR ON BEHALF OF SAID BOARD

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse	§	AGREED

issued to JESSIE WALKER	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JESSIE WALKER, Registered Nurse License Number 714421, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(2),(8)&(10), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 12, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from City College, San Francisco, California, on May 26, 1994. Respondent was licensed to practice professional nursing in the State of Texas on March 15, 2005.
5. Respondent's complete professional nursing employment history is unknown.
6. On March 10, 2005, Respondent was issued an Eligibility Agreed Order by the Board of Nurse Examiners for the State of Texas, based on Findings that she failed to disclose her criminal history. A copy of the Findings of Fact, Conclusions of Law, and Order, dated March 10, 2005, is attached and incorporated, by reference, as part of this Order.

7. On or about March 22, 2004, Respondent submitted a Temporary License/Endorsement Application to the Board of Nurse Examiners for the State of Texas, in which she provided false, deceptive, and/or misleading information, in that she answered "no" to the question:

"Within the past five (5) years have you been diagnosed with, treated, or hospitalized for schizophrenia and/or psychotic bipolar disorder, paranoid personality disorder, antisocial personality disorder, or borderline personality disorder?"

If "YES" indicate the condition: ...[] bipolar disorder..."

On or about May 31, 2003 or June 1, 2003, Respondent admitted to suffering from Bipolar Disorder and Depression to the Board of Registered Nursing, State of California, Sacramento, California.

8. On or about July 30, 2007, Respondent submitted an Online Renewal Document to the Board of Nurse Examiners for the State of Texas, in which she provided false, deceptive, and/or misleading information, in that she answered "no" to the question:

"In the past 5 years, have you been diagnosed with or treated or hospitalized for schizophrenia or other psychotic disorder, bipolar disorder, paranoid personality disorder, antisocial personality disorder, or borderline personality disorder?"

On or about May 31, 2003 or June 1, 2003, Respondent admitted to being bipolar to the Board of Registered Nursing, State of California, Sacramento, California.

9. On or about July 3, 2008, Respondent's license to practice professional nursing in the State of California was revoked, however the revocation was stayed, and Respondent was placed on probation for a period of three (3) years, by the Board of Registered Nursing, State of California, Sacramento, California. A copy of the Accusation, the Stipulated Settlement and Disciplinary Order, and the Decision and Order, issued by the Board of Registered Nursing, Department of Consumer Affairs, State of California, Sacramento, California, effective July 3, 2008, is attached and incorporated, by reference, as part of this Order.

10. In response to Findings of Fact Numbers (7) through Nine (9), Respondent denies either misappropriating or engaging in the intemperate use of controlled substances. Respondent states that the basis of the California Board Order was her failure to properly document the administration and wastage of medications, not her misappropriation or intemperate use of medications. Respondent says that the documentation errors occurred while she was experiencing a manic episode related to her, then undiagnosed, bipolar disorder. Respondent states that her bipolar disorder is well treated and controlled. Additionally, she is under the regular care of a psychiatrist.

11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
12. Formal Charges were filed on February 6, 2009.
13. Formal Charges were mailed to Respondent on February 19, 2009.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(2),(8)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.12(6)(H)(I) (effective after September 28, 2004) and (217.12)(22)&(23) (effective to September 28, 2004).

Severability Clause. Each condition of probation contained herein is a separate and distinct condition. If any condition of this Order, or any application thereof, is declared unenforceable in whole, in part, or to any extent, the remainder of this Order, and all other applications thereof, shall not be affected. Each condition of this Order shall separately be valid

1 and enforceable to the fullest extent permitted by law.

2 1. **Obey All Laws.** Respondent shall obey all federal, state and local laws.

3 A full and detailed account of any and all violations of law shall be reported by Respondent to
4 the Board in writing within seventy-two (72) hours of occurrence. To permit monitoring of
5 compliance with this condition, Respondent shall submit completed fingerprint forms and
6 fingerprint fees within 45 days of the effective date of the decision, unless previously submitted
7 as part of the licensure application process.

8 **Criminal Court Orders:** If Respondent is under criminal court orders, including
9 probation or parole, and the order is violated, this shall be deemed a violation of these probation
10 conditions, and may result in the filing of an accusation and/or petition to revoke probation.

11 2. **Comply with the Board's Probation Program.** Respondent shall fully
12 comply with the conditions of the Probation Program established by the Board and cooperate
13 with representatives of the Board in its monitoring and investigation of the Respondent's
14 compliance with the Board's Probation Program. Respondent shall inform the Board in writing

23 residency or practice as a registered nurse outside of California shall not apply toward a reduction
24 of this probation time period. Respondent's probation is tolled, if and when she resides outside
25 of California. Respondent must provide written notice to the Board within 15 days of any change
26 of residency or practice outside the state, and within 30 days prior to re-establishing residency or
27 returning to practice in this state.

28 //

1 Respondent shall provide a list of all states and territories where she has ever been
2 licensed as a registered nurse, vocational nurse, or practical nurse. Respondent shall further
3 provide information regarding the status of each license and any changes in such license status
4 during the term of probation. Respondent shall inform the Board if she applies for or obtains a
5 new nursing license during the term of probation.

7 shall submit or cause to be submitted such written reports/declarations and verification of actions
8 under penalty of perjury, as required by the Board. These reports/declarations shall contain

13 in every state and territory in which she has a registered nurse license.

14 6. **Function as a Registered Nurse.** Respondent, during the period of
15 probation, shall engage in the practice of registered nursing in California for a minimum of 24
16 hours per week for 6 consecutive months or as determined by the Board.

17 For purposes of compliance with the section, "engage in the practice of registered
18 nursing" may include, when approved by the Board, volunteer work as a registered nurse, or

22 Board.

23 If Respondent has not complied with this condition during the probationary term,
24 and Respondent has presented sufficient documentation of her good faith efforts to comply with
25 this condition, and if no other conditions have been violated, the Board, in its discretion, may
26 grant an extension of Respondent's probation period up to one year without further hearing in
27 order to comply with this condition. During the one year extension, all original conditions of
28 probation shall apply.

1 7. **Employment Approval and Reporting Requirements.** Respondent
2 shall obtain prior approval from the Board before commencing or continuing any employment,
3 paid or voluntary, as a registered nurse. Respondent shall cause to be submitted to the Board all
4 performance evaluations and other employment related reports as a registered nurse upon request
5 of the Board.

6 Respondent shall provide a copy of this Decision to her employer and immediate
7 supervisors prior to commencement of any nursing or other health care related employment.

8 In addition to the above, Respondent shall notify the Board in writing within
9 seventy-two (72) hours after she obtains any nursing or other health care related employment.
10 Respondent shall notify the Board in writing within seventy-two (72) hours after she is
11 terminated or separated, regardless of cause, from any nursing, or other health care related
12 employment with a full explanation of the circumstances surrounding the termination or
13 separation.

14 8. **Supervision.** Respondent shall obtain prior approval from the Board
15 regarding Respondent's level of supervision and/or collaboration before commencing or
16 continuing any employment as a registered nurse, or education and training that includes patient
17 care.

18 Respondent shall practice only under the direct supervision of a registered nurse
19 in good standing (no current discipline) with the Board of Registered Nursing, unless alternative
20 methods of supervision and/or collaboration (e.g., with an advanced practice nurse or physician)
21 are approved.

22 Respondent's level of supervision and/or collaboration may include, but is not
23 limited to the following:

24 (a) Maximum - The individual providing supervision and/or collaboration is
25 present in the patient care area or in any other work setting at all times.

26 (b) Moderate - The individual providing supervision and/or collaboration is in
27 the patient care unit or in any other work setting at least half the hours Respondent works.

28 //

1 (c) Minimum - The individual providing supervision and/or collaboration has
2 person-to-person communication with Respondent at least twice during each shift worked.

3 (d) Home Health Care - If Respondent is approved to work in the home health

5 person communication with Respondent as required by the Board each work day. Respondent
6 shall maintain telephone or other telecommunication contact with the individual providing
7 supervision and/or collaboration as required by the Board during each work day. The individual
8 providing supervision and/or collaboration shall conduct, as required by the Board, periodic, on-
9 site visits to patients' homes visited by Respondent with or without Respondent present.

10 9. **Employment Limitations.** Respondent shall not work for a nurse's
11 registry, in any private duty position as a registered nurse, a temporary nurse placement agency, a
12 traveling nurse, or for an in-house nursing pool.

13 Respondent shall not work for a licensed home health agency as a visiting nurse
14 unless the registered nursing supervision and other protections for home visits have been
15 approved by the Board. Respondent shall not work in any other registered nursing occupation
16 where home visits are required.

17 Respondent shall not work in any health care setting as a supervisor of registered
18 nurses. The Board may additionally restrict Respondent from supervising licensed vocational
19 nurses and/or unlicensed assistive personnel on a case-by-case basis.

20 Respondent shall not work as a faculty member in an approved school of nursing
21 or as an instructor in a Board approved continuing education program.

22 Respondent shall work only on a regularly assigned, identified and predetermined
23 worksite(s) and shall not work in a float capacity.

24 If Respondent is working or intends to work in excess of 40 hours per week, the
25 Board may request documentation to determine whether there should be restrictions on the hours
26 of work.

27 //

28 //

1 10. **Complete a Nursing Course(s).** Respondent, at her own expense, shall
2 enroll and successfully complete a course(s) relevant to the practice of registered nursing no later
3 than six months prior to the end of her probationary term.

4 Respondent shall obtain prior approval from the Board before enrolling in the
5 course(s). Respondent shall submit to the Board the original transcripts or certificates of
6 completion for the above required course(s). The Board shall return the original documents to
7 Respondent after photocopying them for its records.

8 11. **Cost Recovery.** Respondent shall pay to the Board costs associated with
9 its investigation and enforcement pursuant to Business and Professions Code section 125.3 in the
10 amount of \$7,048.50. Respondent shall be permitted to pay these costs in a payment plan
11 approved by the Board, with payments to be completed no later than three months prior to the
12 end of the probation term.

13 If Respondent has not complied with this condition during the probationary term,
14 and Respondent has presented sufficient documentation of her good faith efforts to comply with
15 this condition, and if no other conditions have been violated, the Board, in its discretion, may
16 grant an extension of Respondent's probation period up to one year without further hearing in
17 order to comply with this condition. During the one year extension, all original conditions of
18 probation will apply.

19 12. **Violation of Probation.** If Respondent violates the conditions of her
20 probation, the Board **after** giving Respondent notice and an opportunity to be heard, may set
21 aside the stay order and impose the stayed revocation of Respondent's license.

22 If during the period of probation, an accusation or petition to revoke probation has
23 been filed against Respondent's license or the Attorney General's Office has been requested to
24 prepare an accusation or petition to revoke probation against Respondent's license, the
25 probationary period shall automatically be extended and shall not expire until the accusation or
26 petition has been acted upon by the Board.

27 //

28 //

1 13. **License Surrender.** During Respondent's term of probation, if she ceases
2 practicing due to retirement, health reasons or is otherwise unable to satisfy the conditions of
3 probation, Respondent may surrender her license to the Board. The Board reserves the right to
4 evaluate Respondent's request and to exercise its discretion whether to grant the request, or to
5 take any other action deemed appropriate and reasonable under the circumstances, without
6 further hearing. Upon formal acceptance of the tendered license and wall certificate, Respondent
7 will no longer be subject to the conditions of probation.

8 Surrender of Respondent's license shall be considered a disciplinary action and
9 shall become a part of Respondent's license history with the Board. A registered nurse whose
10 license has been surrendered may petition the Board for reinstatement no sooner than the
11 following minimum periods from the effective date of the disciplinary decision:

12 (1) Two years for reinstatement of a license that was surrendered for any
13 reason other than a mental or physical illness; or

14 (2) One year for a license surrendered for a mental or physical illness.

15 14. **Physical Examination.** Within 45 days of the effective date of this
16 decision, respondent, at her expense, shall have a licensed physician, nurse practitioner, or
17 physician assistant, who is approved by the Board before the assessment is performed, submit an
18 assessment of the respondent's physical condition and capability to perform the duties of a
19 registered nurse, including a determination as set forth below in Condition 16, "Rule-Out
20 Substance Abuse Assessment." Such an assessment shall be submitted in a format acceptable to
21 the Board. If medically determined, a recommended treatment program will be instituted and
22 followed by the respondent with the physician, nurse practitioner, or physician assistant
23 providing written reports to the Board on forms provided by the Board.

24 If respondent is determined to be unable to practice safely as a registered nurse,
25 the licensed physician, nurse practitioner, or physician assistant making this determination shall
26 immediately notify the Board and respondent by telephone, and the Board shall request that the
27 Attorney General's office prepare an accusation or petition to revoke probation. Respondent
28 shall immediately cease practice and shall not resume practice until notified by the Board.

1 During this period of suspension, respondent shall not engage in any practice for which a license
2 issued by the Board is required until the Board has notified respondent that a medical
3 determination permits respondent to resume practice. This period of suspension will not apply to
4 the reduction of this probationary time period.

5 If the respondent fails to have the above assessment submitted to the Board within
6 the 45-day requirement, respondent shall immediately cease practice and shall not resume
7 practice until notified by the Board. This period of suspension will not apply to the reduction of
8 this probationary time period. The Board may waive or postpone this suspension only if
9 significant, documented evidence of mitigation is provided. Such evidence must establish good
10 faith efforts by the respondent to obtain the assessment, and a specific date for compliance must
11 be provided. Only one such waiver or extension may be permitted.

12 15. **Mental Health Examination.** The respondent shall, within 45 days of the
13 effective date of this decision, have a mental health examination including psychological testing
14 as appropriate to determine her capability to perform the duties of a registered nurse, including a
15 determination as set forth below in Condition 16, "Rule-Out Substance Abuse Assessment." The
16 examination will be performed by a psychiatrist, psychologist or other licensed mental health
17 practitioner approved by the Board. The examining mental health practitioner will submit a
18 written report of that assessment and recommendations to the Board. All costs are the
19 responsibility of the report of that assessment and recommendations to the Board. All costs are
20 the responsibility of the respondent. Recommendations for treatment, therapy or counseling
21 made as a result of the mental health examination will be instituted and followed by the
22 respondent.

23 If respondent is determined to be unable to practice safely as a registered nurse,
24 the licensed mental health care practitioner making this determination shall immediately notify
25 the Board and respondent by telephone, and the Board shall request that the Attorney General's
26 office prepare an accusation or petition to revoke probation. Respondent shall immediately cease
27 practice and may not resume practice until notified by the Board. During this period of
28 suspension, respondent shall not engage in any practice for which a license issued by the Board is

1 required, until the Board has notified respondent that a mental health determination permits
2 respondent to resume practice. This period of suspension will not apply to the reduction of this
3 probationary time period.

4 If the respondent fails to have the above assessment submitted to the Board within
5 the 45-day requirement, respondent shall immediately cease practice and shall not resume
6 practice until notified by the Board. This period of suspension will not apply to the reduction of
7 this probationary time period. The Board may waive or postpone this suspension only if
8 significant, documented evidence of mitigation is provided. Such evidence must establish good
9 faith efforts by the respondent to obtain the assessment, and a specific date for compliance must
10 be provided. Only one such waiver or extension may be permitted.

11 16. **Rule-Out Substance Abuse Assessment.** If the examiner conducting the
12 physical and/or mental health examination determines that the respondent is dependent upon
13 drugs or alcohol, or has had problems with drugs or alcohol (i.e. drug dependence in remission or
14 alcohol dependence in remission), that might reasonably affect the safe practice of nursing, then
15 the respondent must further comply with the following additional terms and conditions of
16 probation:

17 (a) **Participate in Treatment/Rehabilitation Program for Chemical**
18 **Dependence.** Respondent at her expense, shall successfully complete during the probationary
19 period or shall have successfully completed prior to commencement of probation a Board-
20 approved treatment/rehabilitation program of at least six months duration. As required, reports
21 shall be submitted by the program on forms provided by the Board. If respondent has not
22 completed a Board-approved treatment/rehabilitation program prior to commencement of
23 probation, respondent, within 45 days from the effective date of the decision, shall be enrolled in
24 a program. If a program is not successfully completed within the first nine months of probation,
25 the Board shall consider respondent in violation of probation.

26 Based on Board recommendation, each week respondent shall be required to
27 attend at least one, but no more than five 12-step recovery meetings or equivalent (e.g., Narcotics
28 Anonymous, Alcoholics Anonymous, etc.) and a nurse support group as approved and directed

1 by the Board. If a nurse support group is not available, an additional 12-step meeting or
2 equivalent shall be added. Respondent shall submit dated and signed documentation confirming
3 such attendance to the Board during the entire period of probation. Respondent shall continue
4 with the recovery plan recommended by the treatment/rehabilitation program or a licensed
5 mental health examiner and/or other ongoing recovery groups.

6 **(b) Abstain from Use of Psychotropic (Mood-Altering) Drugs.** Respondent
7 shall completely abstain from the possession, injection of consumption by any route of all
8 psychotropic (mood altering) drugs, including alcohol, except when the same are ordered by a
9 health care professional legally authorized to do so as part of documented medical treatment.
10 Respondent shall have sent to the Board, in writing and within fourteen (14) days, by the
11 prescribing health professional, a report identifying the medication, dosage, the date the
12 medication was prescribed, the respondent's prognosis, the date the medication will no longer be
13 required, and the effect on the recovery plan, if appropriate.

14 Respondent shall identify for the Board a single physician, nurse practitioner or
15 physician assistant who shall be aware of respondent's history of substance abuse and will
16 coordinate and monitor any prescriptions for respondent for dangerous drugs, controlled
17 substances or mood-altering drugs. The coordinating physician, nurse practitioner, or physician
18 assistant shall report to the Board on a quarterly basis respondent's compliance with this
19 condition. If any substances considered addictive have been prescribed, the report shall identify a
20 program for the time limited use of any such substances.

21 The Board may require the single coordinating physician, nurse practitioner, or
22 physician assistant to be a specialist in addictive medicine, or to consult with a specialist in
23 addictive medicine.

24 **(c) Submit to Tests and Samples.** Respondent, at her expense, shall
25 participate in a random, biological fluid testing or a drug screening program which the Board
26 approves. The length of time and frequency will be subject to approval by the Board. The
27 respondent is responsible for keeping the Board informed of respondent's current telephone
28 number at all times. Respondent shall also ensure that messages may be left at the telephone

1 number when she is not available and ensure that reports are submitted directly by the testing
2 agency to the Board, as directed. Any confirmed positive finding shall be reported immediately
3 to the Board by the program and the respondent shall be considered in violation of probation.

4 In addition, respondent, at any time during the period of probation, shall fully
5 cooperate with the Board or any of its representatives, and shall, when requested, submit to such
6 tests and samples as the Board or its representatives may require for the detection of alcohol,
7 narcotics, hypnotics, dangerous drugs, or other controlled substances.

8 If respondent has a positive drug screen for any substance not legally authorized
9 and not reported to the coordinating physician, nurse practitioner, or physician assistant, and the
10 Board files a petition to revoke probation or an accusation, the Board may suspend respondent
11 from practice pending the final decision on the petition to revoke probation or the accusation.
12 This period of suspension will not apply to the reduction of this probationary time period.

13 If respondent fails to participate in a random, biological fluid testing or drug
14 screening program within the specified time frame, the respondent shall immediately cease
15 practice and shall not resume practice until notified by the Board. After taking into account
16 documented evidence of mitigation, if the Board files a petition to revoke probation or an
17 accusation, the Board may suspend respondent from practice pending the final decision on the
18 petition to revoke probation or the accusation. This period of suspension will not apply to the
19 reduction of this probationary time period.

20 (d) **Therapy or Counseling Program.** Respondent, at her expense, shall
21 participate in an on-going counseling program until such time as the Board releases her from this
22 requirement and only upon the recommendation of the counselor. Written progress reports from
23 the counselor will be required at various intervals.

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse	§	AGREED
License Number 714421	§	
issued to JESSIE WALKER	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JESSIE WALKER, Registered Nurse License Number 714421, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(2),(8)&(10), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 12, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from City College, San Francisco, California, on May 26, 1994. Respondent was licensed to practice professional nursing in the State of Texas on March 15, 2005.
5. Respondent's complete professional nursing employment history is unknown.
6. On March 10, 2005, Respondent was issued an Eligibility Agreed Order by the Board of Nurse Examiners for the State of Texas, based on Findings that she failed to disclose her criminal history. A copy of the Findings of Fact, Conclusions of Law, and Order, dated March 10, 2005, is attached and incorporated, by reference, as part of this Order.

7. On or about March 22, 2004, Respondent submitted a Temporary License/Endorsement Application to the Board of Nurse Examiners for the State of Texas, in which she provided false, deceptive, and/or misleading information, in that she answered "no" to the question:

"Within the past five (5) years have you been diagnosed with, treated, or hospitalized for schizophrenia and/or psychotic bipolar disorder, paranoid personality disorder, antisocial personality disorder, or borderline personality disorder?"

If "YES" indicate the condition: ...[] bipolar disorder..."

On or about May 31, 2003 or June 1, 2003, Respondent admitted to suffering from Bipolar Disorder and Depression to the Board of Registered Nursing, State of California, Sacramento, California.

8. On or about July 30, 2007, Respondent submitted an Online Renewal Document to the Board of Nurse Examiners for the State of Texas, in which she provided false, deceptive, and/or misleading information, in that she answered "no" to the question:

"In the past 5 years, have you been diagnosed with or treated or hospitalized for schizophrenia or other psychotic disorder, bipolar disorder, paranoid personality disorder, antisocial personality disorder, or borderline personality disorder?"

On or about May 31, 2003 or June 1, 2003, Respondent admitted to being bipolar to the Board of Registered Nursing, State of California, Sacramento, California.

9. On or about July 3, 2008, Respondent's license to practice professional nursing in the State of California was revoked, however the revocation was stayed, and Respondent was placed on probation for a period of three (3) years, by the Board of Registered Nursing, State of California, Sacramento, California. A copy of the Accusation, the Stipulated Settlement and Disciplinary Order, and the Decision and Order, issued by the Board of Registered Nursing, Department of Consumer Affairs, State of California, Sacramento, California, effective July 3, 2008, is attached and incorporated, by reference, as part of this Order.

10. In response to Findings of Fact Numbers (7) through Nine (9), Respondent denies either misappropriating or engaging in the intemperate use of controlled substances. Respondent states that the basis of the California Board Order was her failure to properly document the administration and wastage of medications, not her misappropriation or intemperate use of medications. Respondent says that the documentation errors occurred while she was experiencing a manic episode related to her, then undiagnosed, bipolar disorder. Respondent states that her bipolar disorder is well treated and controlled. Additionally, she is under the regular care of a psychiatrist.

11. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
12. Formal Charges were filed on February 6, 2009.
13. Formal Charges were mailed to Respondent on February 19, 2009.

20 issue and enter the following Disciplinary Order:

21 **DISCIPLINARY ORDER**

22 IT IS HEREBY ORDERED that Registered Nurse License No. 505736 issued to
23 Respondent JESSIE V. WALKER is revoked. However, the revocation is stayed and
24 Respondent is placed on probation for three (3) years on the following terms and conditions.

25 **Severability Clause.** Each condition of probation contained herein is a separate
26 and distinct condition. If any condition of this Order, or any application thereof, is declared
27 unenforceable in whole, in part, or to any extent, the remainder of this Order, and all other
28 applications thereof, shall not be affected. Each condition of this Order shall separately be valid

1 and enforceable to the fullest extent permitted by law.

2 1. **Obey All Laws.** Respondent shall obey all federal, state and local laws.

3 A full and detailed account of any and all violations of law shall be reported by Respondent to
4 the Board in writing within seventy-two (72) hours of occurrence. To permit monitoring of
5 compliance with this condition, Respondent shall submit completed fingerprint forms and
6 fingerprint fees within 45 days of the effective date of the decision, unless previously submitted
7 as part of the licensure application process.

8 **Criminal Court Orders:** If Respondent is under criminal court orders, including
9 probation or parole, and the order is violated, this shall be deemed a violation of these probation
10 conditions, and may result in the filing of an accusation and/or petition to revoke probation.

11 2. **Comply with the Board's Probation Program.** Respondent shall fully
12 comply with the conditions of the Probation Program established by the Board and cooperate
13 with representatives of the Board in its monitoring and investigation of the Respondent's
14 compliance with the Board's Probation Program. Respondent shall inform the Board in writing
15 within no more than 15 days of any address change and shall at all times maintain an active,
16 current license status with the Board, including during any period of suspension.

17 Upon successful completion of probation, Respondent's license shall be fully
18 restored.

19 3. **Report in Person.** Respondent, during the period of probation, shall
20 appear in person at interviews/meetings as directed by the Board or its designated
21 representatives.

22 4. **Residency, Practice, or Licensure Outside of State.** Periods of
23 residency or practice as a registered nurse outside of California shall not apply toward a reduction
24 of this probation time period. Respondent's probation is tolled, if and when she resides outside
25 of California. Respondent must provide written notice to the Board within 15 days of any change
26 of residency or practice outside the state, and within 30 days prior to re-establishing residency or
27 returning to practice in this state.

28 //

Respondent shall provide a list of all states and territories where she has ever been licensed as a registered nurse, vocational nurse, or practical nurse. Respondent shall further provide information regarding the status of each license and any changes in such license status during the term of probation. Respondent shall inform the Board if she applies for or obtains a new nursing license during the term of probation.

5. **Submit Written Reports.** Respondent, during the period of probation, shall submit or cause to be submitted such written reports/declarations and verification of actions under penalty of perjury, as required by the Board. These reports/declarations shall contain statements relative to Respondent's compliance with all the conditions of the Board's Probation Program. Respondent shall immediately execute all release of information forms as may be required by the Board or its representatives.

Respondent shall provide a copy of this Decision to the nursing regulatory agency in every state and territory in which she has a registered nurse license.

6. **Function as a Registered Nurse.** Respondent, during the period of probation, shall engage in the practice of registered nursing in California for a minimum of 24 hours per week for 6 consecutive months or as determined by the Board.

For purposes of compliance with the section, "engage in the practice of registered nursing" may include, when approved by the Board, volunteer work as a registered nurse, or work in any non-direct patient care position that requires licensure as a registered nurse.

The Board may require that advanced practice nurses engage in advanced practice nursing for a minimum of 24 hours per week for 6 consecutive months or as determined by the Board.

If Respondent has not complied with this condition during the probationary term, and Respondent has presented sufficient documentation of her good faith efforts to comply with this condition, and if no other conditions have been violated, the Board, in its discretion, may grant an extension of Respondent's probation period up to one year without further hearing in order to comply with this condition. During the one year extension, all original conditions of probation shall apply.

1 7. **Employment Approval and Reporting Requirements.** Respondent
2 shall obtain prior approval from the Board before commencing or continuing any employment,
3 paid or voluntary, as a registered nurse. Respondent shall cause to be submitted to the Board all
4 performance evaluations and other employment related reports as a registered nurse upon request
5 of the Board.

6 Respondent shall provide a copy of this Decision to her employer and immediate
7 supervisors prior to commencement of any nursing or other health care related employment.

8 In addition to the above, Respondent shall notify the Board in writing within
9 seventy-two (72) hours after she obtains any nursing or other health care related employment.
10 Respondent shall notify the Board in writing within seventy-two (72) hours after she is
11 terminated or separated, regardless of cause, from any nursing, or other health care related
12 employment with a full explanation of the circumstances surrounding the termination or
13 separation.

14 8. **Supervision.** Respondent shall obtain prior approval from the Board
15 regarding Respondent's level of supervision and/or collaboration before commencing or
16 continuing any employment as a registered nurse, or education and training that includes patient
17 care.

18 Respondent shall practice only under the direct supervision of a registered nurse
19 in good standing (no current discipline) with the Board of Registered Nursing, unless alternative
20 methods of supervision and/or collaboration (e.g., with an advanced practice nurse or physician)
21 are approved.

22 Respondent's level of supervision and/or collaboration may include, but is not
23 limited to the following:

24 (a) Maximum - The individual providing supervision and/or collaboration is
25 present in the patient care area or in any other work setting at all times.

26 (b) Moderate - The individual providing supervision and/or collaboration is in
27 the patient care unit or in any other work setting at least half the hours Respondent works.

28 //

1 (c) Minimum - The individual providing supervision and/or collaboration has
2 person-to-person communication with Respondent at least twice during each shift worked.

3 (d) Home Health Care - If Respondent is approved to work in the home health
4 care setting, the individual providing supervision and/or collaboration shall have person-to-
5 person communication with Respondent as required by the Board each work day. Respondent
6 shall maintain telephone or other telecommunication contact with the individual providing
7 supervision and/or collaboration as required by the Board during each work day. The individual
8 providing supervision and/or collaboration shall conduct, as required by the Board, periodic, on-
9 site visits to patients' homes visited by Respondent with or without Respondent present.

10 9. **Employment Limitations.** Respondent shall not work for a nurse's
11 registry, in any private duty position as a registered nurse, a temporary nurse placement agency, a
12 traveling nurse, or for an in-house nursing pool.

13 Respondent shall not work for a licensed home health agency as a visiting nurse
14 unless the registered nursing supervision and other protections for home visits have been
15 approved by the Board. Respondent shall not work in any other registered nursing occupation
16 where home visits are required.

17 Respondent shall not work in any health care setting as a supervisor of registered
18 nurses. The Board may additionally restrict Respondent from supervising licensed vocational
19 nurses and/or unlicensed assistive personnel on a case-by-case basis.

20 Respondent shall not work as a faculty member in an approved school of nursing
21 or as an instructor in a Board approved continuing education program.

22 Respondent shall work only on a regularly assigned, identified and predetermined
23 worksite(s) and shall not work in a float capacity.

24 If Respondent is working or intends to work in excess of 40 hours per week, the
25 Board may request documentation to determine whether there should be restrictions on the hours
26 of work.

27 //

28 //

1 10. **Complete a Nursing Course(s).** Respondent, at her own expense, shall
2 enroll and successfully complete a course(s) relevant to the practice of registered nursing no later
3 than six months prior to the end of her probationary term.

4 Respondent shall obtain prior approval from the Board before enrolling in the
5 course(s). Respondent shall submit to the Board the original transcripts or certificates of
6 completion for the above required course(s). The Board shall return the original documents to
7 Respondent after photocopying them for its records.

8 11. **Cost Recovery.** Respondent shall pay to the Board costs associated with
9 its investigation and enforcement pursuant to Business and Professions Code section 125.3 in the
10 amount of \$7,048.50. Respondent shall be permitted to pay these costs in a payment plan
11 approved by the Board, with payments to be completed no later than three months prior to the
12 end of the probation term.

13 If Respondent has not complied with this condition during the probationary term,
14 and Respondent has presented sufficient documentation of her good faith efforts to comply with
15 this condition, and if no other conditions have been violated, the Board, in its discretion, may
16 grant an extension of Respondent's probation period up to one year without further hearing in
17 order to comply with this condition. During the one year extension, all original conditions of
18 probation will apply.

19 12. **Violation of Probation.** If Respondent violates the conditions of her
20 probation, the Board after giving Respondent notice and an opportunity to be heard, may set
21 aside the stay order and impose the stayed revocation of Respondent's license.

22 If during the period of probation, an accusation or petition to revoke probation has
23 been filed against Respondent's license or the Attorney General's Office has been requested to
24 prepare an accusation or petition to revoke probation against Respondent's license, the
25 probationary period shall automatically be extended and shall not expire until the accusation or
26 petition has been acted upon by the Board.

27 //

28 //

1 13. **License Surrender.** During Respondent's term of probation, if she ceases
2 practicing due to retirement, health reasons or is otherwise unable to satisfy the conditions of
3 probation, Respondent may surrender her license to the Board. The Board reserves the right to
4 evaluate Respondent's request and to exercise its discretion whether to grant the request, or to
5 take any other action deemed appropriate and reasonable under the circumstances, without
6 further hearing. Upon formal acceptance of the tendered license and wall certificate, Respondent
7 will no longer be subject to the conditions of probation.

8 Surrender of Respondent's license shall be considered a disciplinary action and
9 shall become a part of Respondent's license history with the Board. A registered nurse whose
10 license has been surrendered may petition the Board for reinstatement no sooner than the
11 following minimum periods from the effective date of the disciplinary decision:

12 (1) Two years for reinstatement of a license that was surrendered for any
13 reason other than a mental or physical illness; or

14 (2) One year for a license surrendered for a mental or physical illness.

15 14. **Physical Examination.** Within 45 days of the effective date of this
16 decision, respondent, at her expense, shall have a licensed physician, nurse practitioner, or
17 physician assistant, who is approved by the Board before the assessment is performed, submit an
18 assessment of the respondent's physical condition and capability to perform the duties of a
19 registered nurse, including a determination as set forth below in Condition 16, "Rule-Out
20 Substance Abuse Assessment." Such an assessment shall be submitted in a format acceptable to
21 the Board. If medically determined, a recommended treatment program will be instituted and
22 followed by the respondent with the physician, nurse practitioner, or physician assistant
23 providing written reports to the Board on forms provided by the Board.

24 If respondent is determined to be unable to practice safely as a registered nurse,
25 the licensed physician, nurse practitioner, or physician assistant making this determination shall
26 immediately notify the Board and respondent by telephone, and the Board shall request that the
27 Attorney General's office prepare an accusation or petition to revoke probation. Respondent
28 shall immediately cease practice and shall not resume practice until notified by the Board.

1 During this period of suspension, respondent shall not engage in any practice for which a license
2 issued by the Board is required until the Board has notified respondent that a medical
3 determination permits respondent to resume practice. This period of suspension will not apply to
4 the reduction of this probationary time period.

5 If the respondent fails to have the above assessment submitted to the Board within
6 the 45-day requirement, respondent shall immediately cease practice and shall not resume
7 practice until notified by the Board. This period of suspension will not apply to the reduction of
8 this probationary time period. The Board may waive or postpone this suspension only if
9 significant, documented evidence of mitigation is provided. Such evidence must establish good
10 faith efforts by the respondent to obtain the assessment, and a specific date for compliance must
11 be provided. Only one such waiver or extension may be permitted.

12 15. **Mental Health Examination.** The respondent shall, within 45 days of the
13 effective date of this decision, have a mental health examination including psychological testing
14 as appropriate to determine her capability to perform the duties of a registered nurse, including a
15 determination as set forth below in Condition 16, "Rule-Out Substance Abuse Assessment." The
16 examination will be performed by a psychiatrist, psychologist or other licensed mental health
17 practitioner approved by the Board. The examining mental health practitioner will submit a
18 written report of that assessment and recommendations to the Board. All costs are the
19 responsibility of the report of that assessment and recommendations to the Board. All costs are
20 the responsibility of the respondent. Recommendations for treatment, therapy or counseling
21 made as a result of the mental health examination will be instituted and followed by the
22 respondent.

23 If respondent is determined to be unable to practice safely as a registered nurse,
24 the licensed mental health care practitioner making this determination shall immediately notify
25 the Board and respondent by telephone, and the Board shall request that the Attorney General's
26 office prepare an accusation or petition to revoke probation. Respondent shall immediately cease
27 practice and may not resume practice until notified by the Board. During this period of
28 suspension, respondent shall not engage in any practice for which a license issued by the Board is

1 required, until the Board has notified respondent that a mental health determination permits
2 respondent to resume practice. This period of suspension will not apply to the reduction of this
3 probationary time period.

4 If the respondent fails to have the above assessment submitted to the Board within
5 the 45-day requirement, respondent shall immediately cease practice and shall not resume
6 practice until notified by the Board. This period of suspension will not apply to the reduction of
7 this probationary time period. The Board may waive or postpone this suspension only if
8 significant, documented evidence of mitigation is provided. Such evidence must establish good
9 faith efforts by the respondent to obtain the assessment, and a specific date for compliance must
10 be provided. Only one such waiver or extension may be permitted.

11 **16. Rule-Out Substance Abuse Assessment.** If the examiner conducting the
12 physical and/or mental health examination determines that the respondent is dependent upon
13 drugs or alcohol, or has had problems with drugs or alcohol (i.e. drug dependence in remission or
14 alcohol dependence in remission), that might reasonably affect the safe practice of nursing, then
15 the respondent must further comply with the following additional terms and conditions of
16 probation.

17 **(a) Participate in Treatment/Rehabilitation Program for Chemical**
18 **Dependence.** Respondent at her expense, shall successfully complete during the probationary
19 period or shall have successfully completed prior to commencement of probation a Board-
20 approved treatment/rehabilitation program of at least six months duration. As required, reports
21 shall be submitted by the program on forms provided by the Board. If respondent has not
22 completed a Board-approved treatment/rehabilitation program prior to commencement of
23 probation, respondent, within 45 days from the effective date of the decision, shall be enrolled in
24 a program. If a program is not successfully completed within the first nine months of probation,
25 the Board shall consider respondent in violation of probation.

26 Based on Board recommendation, each week respondent shall be required to
27 attend at least one, but no more than five 12-step recovery meetings or equivalent (e.g., Narcotics
28 Anonymous, Alcoholics Anonymous, etc.) and a nurse support group as approved and directed

1 by the Board. If a nurse support group is not available, an additional 12-step meeting or
2 equivalent shall be added. Respondent shall submit dated and signed documentation confirming
3 such attendance to the Board during the entire period of probation. Respondent shall continue
4 with the recovery plan recommended by the treatment/rehabilitation program or a licensed
5 mental health examiner and/or other ongoing recovery groups.

6 (b) **Abstain from Use of Psychotropic (Mood-Altering) Drugs.** Respondent
7 shall completely abstain from the possession, injection of consumption by any route of all
8 psychotropic (mood altering) drugs, including alcohol, except when the same are ordered by a
9 health care professional legally authorized to do so as part of documented medical treatment.
10 Respondent shall have sent to the Board, in writing and within fourteen (14) days, by the
11 prescribing health professional, a report identifying the medication, dosage, the date the
12 medication was prescribed, the respondent's prognosis, the date the medication will no longer be
13 required, and the effect on the recovery plan, if appropriate.

14 Respondent shall identify for the Board a single physician, nurse practitioner or
15 physician assistant who shall be aware of respondent's history of substance abuse and will
16 coordinate and monitor any prescriptions for respondent for dangerous drugs, controlled
17 substances or mood-altering drugs. The coordinating physician, nurse practitioner, or physician
18 assistant shall report to the Board on a quarterly basis respondent's compliance with this
19 condition. If any substances considered addictive have been prescribed, the report shall identify a
20 program for the time limited use of any such substances.

21 The Board may require the single coordinating physician, nurse practitioner, or
22 physician assistant to be a specialist in addictive medicine, or to consult with a specialist in
23 addictive medicine.

24 (c) **Submit to Tests and Samples.** Respondent, at her expense, shall
25 participate in a random, biological fluid testing or a drug screening program which the Board
26 approves. The length of time and frequency will be subject to approval by the Board. The
27 respondent is responsible for keeping the Board informed of respondent's current telephone
28 number at all times. Respondent shall also ensure that messages may be left at the telephone

1 number when she is not available and ensure that reports are submitted directly by the testing
2 agency to the Board, as directed. Any confirmed positive finding shall be reported immediately
3 to the Board by the program and the respondent shall be considered in violation of probation.

4 In addition, respondent, at any time during the period of probation, shall fully
5 cooperate with the Board or any of its representatives, and shall, when requested, submit to such
6 tests and samples as the Board or its representatives may require for the detection of alcohol,
7 narcotics, hypnotics, dangerous drugs, or other controlled substances.

8 If respondent has a positive drug screen for any substance not legally authorized
9 and not reported to the coordinating physician, nurse practitioner, or physician assistant, and the
10 Board files a petition to revoke probation or an accusation, the Board may suspend respondent
11 from practice pending the final decision on the petition to revoke probation or the accusation.
12 This period of suspension will not apply to the reduction of this probationary time period.

13 If respondent fails to participate in a random, biological fluid testing or drug
14 screening program within the specified time frame, the respondent shall immediately cease
15 practice and shall not resume practice until notified by the Board. After taking into account
16 documented evidence of mitigation, if the Board files a petition to revoke probation or an
17 accusation, the Board may suspend respondent from practice pending the final decision on the
18 petition to revoke probation or the accusation. This period of suspension will not apply to the
19 reduction of this probationary time period.

20 (d) **Therapy or Counseling Program.** Respondent, at her expense, shall
21 participate in an on-going counseling program until such time as the Board releases her from this
22 requirement and only upon the recommendation of the counselor. Written progress reports from
23 the counselor will be required at various intervals.
