Thomas, MN, RN, Executive Director, subject to ratification by the Board.

- On or about July 25, 1984, Respondent's license to practice professional nursing was SUSPENDED for a period of one year by order of the Oklahoma Board of Nurse Registration and Nursing Education based on a Finding that Respondent attempted to procure a prescription drug using the name of a physician without first obtaining the physician's consent.

A copy of the Findings of Fact, Conclusions of Law and Order, dated March 6, 1985, is attached and incorporated, by reference, as part of this order.

7. On or about September 18, 1986, Respondent's license to practice professional nursing in the State of Texas was REINSTATED by the Board of Nurse Examiners for the State of Texas, Austin, Texas. 9. On or about February 4, 2009, while employed as a Women's Health Nurse Practitioner with Stephenville Medical and Surgical Clinic, Stephenville, Texas, Respondent failed to report the sexual assault of Patient Medical Record Number 56824-5, a minor, to a law enforcement agency and/or the Texas Department of Family and Protective Services, as required by Texas Family Code 261.101. “On February 4, 2009, I saw a 13 year old female at Stephenville Medical & Surgical Clinic. The patient stated she was assaulted on January 22, 2009 and wanted to be checked for STDs. The patient stated that school nurse had been notified and school nurse had previously contacted police. I trusted the patient that she was telling the truth and exam was completed. I also counseled the patient on ways to avoid same situation. The patient was seen by another provider on November 18, 2009 for Texas Health Step and it was discovered the incident was never reported. Since then I have gone to continuing education conferences on teen sexual behavior, and reviewed protocols regarding reporting sexual abuse incidents. I take this incident very seriously and understand that I may not rely on the actions of others to insure proper reporting.”

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
