Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse §
License Number 203827 § AGREED
issued to CHRISTINE MICHELLE POTTS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of CHRISTINE MICHELLE POTTS, Vocational Nurse License Number 203827, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(1),(9)&(10), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on March 23, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Central Texas College, Brady, Texas, on August 1, 2005. Respondent was licensed to practice vocational nursing in the State of Texas on April 25, 2006.
5. Respondent's vocational nursing employment history includes:

4/06-10/06	LVN	Craig Nettleship- Private Nursing San Saba, Texas
------------	-----	--

Respondent's vocational nursing employment history continued:

1/07-8/07	LVN	Indian Oaks Living Center Harker Heights, Texas
9/07- Present	Unknown	

6. On or about February 13, 2006, Respondent was issued an Order of Conditional Eligibility by the Board of Nurse Examiners for the State of Texas which required her to participate in and successfully complete the Texas Peer Assistance Program for Nurses (TPAPN). A copy of the Findings of Fact, Conclusions of Law, and Order of Conditional Eligibility, dated February 13, 2006, is attached and incorporated by reference as a part of this Order.
7. On or about August 13, 2007, while employed with Indian Oaks Living Center, Harker Heights, Texas, Respondent engaged in the intemperate use of Propoxyphene in that she produced a specimen for drug screening which resulted positive for Propoxyphene. Possession of Propoxyphene is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Propoxyphene by a Vocational Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
8. On or about August 13, 2007, Respondent failed to comply with the Order of Conditional Eligibility issued to her on February 13, 2006, by the Board of Nurse Examiners for the State of Texas. Non-Compliance is the result of her failure to comply with Stipulation Three (3) which states in pertinent part: "RESPONDENT SHALL comply with all requirements of the TPAPN contract during its term. On or about August 13, 2007, Respondent produced a specimen for drug screening which resulted positive for Propoxyphene.
9. Regarding the conduct outlined in Finding of Fact Number Seven (7), Respondent states that she dislocated her right knee on which she had ACL surgery eight (8) years prior. Her knee was popped back into place but the pain was so severe that she took two Darvocet that were not prescribed to her. Respondent acknowledges that is no excuse to ingest pills for which she did not have a prescription.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(1),(9)&(10), Texas Occupations Code, and 22 TEX. ADMIN. CODE §217.12(1)(A)&(B), (4),(5),(9)&(10)(A)&(D)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 203827, heretofore issued to CHRISTINE MICHELLE POTTS, including revocation of Respondent's license to practice vocational nursing in the State of Texas.

BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of	§	
CHRISTINE MICHELLE POTTS	§	ORDER OF
PETITIONER for Eligibility for	§	CONDITIONAL ELIGIBILITY
Licensure	§	

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Application for Licensure by Examination and supporting documents filed by CHRISTINE MICHELLE POTTS, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452(b) *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on November 9, 2005, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. On or about June 23, 2005, Petitioner submitted an Application by Examination for Licensure requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner graduated with a Diploma in Vocational Nursing from Central Texas College, Brady, Texas, on August 19, 2005.
4. Petitioner completed the Application by Examination for Licensure and answered "yes" to Question Number One (1), which reads as follows: *"Have you been convicted, adjudged guilty by a court, plead guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal*

charges or unresolved arrests (excluding minor traffic violations)? This includes expunged offenses and deferred adjudications with or without prejudice of guilt. Please note that DUI's, DWI's, PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed, therefore, you may answer "No". If you have two or more MIP's or MIC's, you must answer "Yes".)

5. Petitioner disclosed the following criminal history, to wit:
 - A. On January 26, 2000, Petitioner was charged with the misdemeanor Class B offense of Possession of Marijuana in the County Court at Law of Tom Green County, Texas. Proceedings were deferred without adjudication of guilt, and Petitioner was required to complete forty (40) hours of community service.
 - B. On July 17, 2004, Petitioner was charged with the misdemeanor offense of Possession of Marijuana in the County Court at Law of San Saba County, Texas. Petitioner plead guilty and was accepted into a pre-trial diversion program. Petitioner was also sentenced to probation for one (1) year, required to complete seventy-five (75) hours of community service, and to attend and complete a drug awareness class.
 - C. Petitioner submitted a written statement to the Board which discloses that in 2004, when Petitioner moved from San Angelo, a warrant was issued for her arrest for "hot checks." Petitioner states that as soon as she found out about the warrant, she went to the San Angelo Municipal Court and paid them in full. According to Petitioner, no arrest made with regard to this incident.
6. There is no evidence of any subsequent criminal conduct.
7. On September 26, 2005, Petitioner was requested to undergo a Forensic Psychological Evaluation to include a Chemical Dependency Component and Polygraph Exam to determine eligibility for licensure. On October 18, 2005, Petitioner presented to Richard Connell, Ph.D., Lampasas, Texas, to undergo evaluation to determine her fitness to practice vocational nursing in the State of Texas. The results of the evaluation indicate that Petitioner would be able to consistently behave in accordance with the requirements of the Texas Board of Nursing Rules 213.27-213.29 at 22 Texas Administrative Code, as well as the minimum standards set by the Board's Rule 217.11 at 22 TAC and generally accepted nursing standards. Secondly, it appears likely that Petitioner would have a low probability of engaging in behaviors identified by the Board as constituting unprofessional conduct as elaborated in Rule 217.12. Petitioner was administered a polygraph exam on October 25, 2005, by Donald S. Trease, Allied Polygraph, San Antonio, Texas. The results of the examination indicate that Petitioner was truthful. Dr. Connell opines that Petitioner evidences no significant mental illness or other mental health pathology. Petitioner has engaged in substantial marijuana abuse in the past, but she has established a substance-free

lifestyle during the past one to two years, and test results suggest a low probability of future substance abuse difficulties.

8. The safety of patients and the public requires that all persons licensed to practice nursing be fit, sober, and able to consistently practice nursing in autonomous roles under demanding and stressful conditions.
9. The Executive Director considered evidence of Petitioner's substance abuse as provided in §213.29, 22 Texas Administrative Code.
10. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
11. Petitioner has sworn that, with the exception of matters disclosed in connection with the Application by Examination for Licensure, her past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with the Board's character requirements in 22 Texas Administrative Code §213.27.
12. On or about November 9, 2005, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
13. In consideration of Petitioner's past conduct and subsequent evidence of rehabilitation, the Executive Director finds that Petitioner should be declared conditionally eligible to take the National Council Licensure Examination for Practical Nurses.
14. Petitioner's compliance with the terms of a Board approved peer assistance program should be sufficient to protect patients and the public.

CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257, Texas Occupations Code.
3. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.

4. The Board of Nurse Examiners may license an individual who has a history of substance abuse, after consideration of the criteria set out in 22 Texas Administrative Code §213.29, the Board determines the Petitioner does not currently pose a direct threat to the health and safety of patients or the public.
5. The Board may, in its discretion, order a Petitioner, upon initial licensure as a vocational nurse, to participate in a peer assistance program approved by the Board if the nurse would otherwise have been eligible for referral to peer assistance pursuant to Section 301.410, Texas Occupations Code.
