BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 304088 §
issued to MARISOL GONZALEZ § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MARISOL GONZALEZ, Vocational Nurse License Number 304088, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10) & (13) and 301.453, Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on August 8, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a certificate in Vocational Nursing from Kaplan College, San Antonio, Texas on July 9, 2011. Respondent was licensed to practice vocational nursing in the State of Texas on November 1, 2011.
5. Respondent's vocational nursing employment history includes:

11/11 - 04/12	LVN	University Health System San Antonio, Texas
05/12 - Present	Unknown	

6. At the time of the incident, Respondent was employed as a Licensed Vocational Nurse with University Health System, San Antonio, Texas, and had been in this position for approximately five (5) months.
7. On or about April 12, 2012, while employed with University Health System, San Antonio, Texas, Respondent violated professional boundaries of the nurse/ client relationship in that she engaged in an on-going personal relationship with a patient for approximately six (6) months while providing treatment for this patient. In addition, management questioned Respondent about this relationship and she admitted to the aforementioned relationship. Respondent's conduct was likely to injure the patient in that it could have resulted in confusion between the needs of the nurse and those of the patient. In addition, Respondent's conduct may have caused delayed distress for the patient, which may not be recognized or felt by the patient until harmful consequences occur.
8. Regarding the conduct outlined in Finding of Fact Number Seven (7), Respondent states that she and the patient began living together in March 2011. Respondent states that she now understands that when she became a nurse in November, 2011, she should have immediately requested a transfer of either herself or the patient to a different dialysis facility. Respondent states that she takes full responsibility for her actions and she offers no excuse other than ignorance that she should have known better. Respondent humbly requests an opportunity to redeem herself and continue her profession as a Licensed Vocational Nurse.
9. Formal Charges were filed on July 6, 2012.
10. Formal Charges were mailed to Respondent on July 9, 2012.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(J), and 22 TEX. ADMIN. CODE §217.12(4) & (6)(D).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10) & (13), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 304088, heretofore issued to MARISOL GONZALEZ, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
