BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Vocational Nurse License Number 138697 §
issued to PATTI ANNE NICHOLS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of PATTI ANNE NICHOLS, Vocational Nurse License Number 138697, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 31, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Victoria College, Oakum, Texas, on August 18, 1992. Respondent was licensed to practice vocational nursing in the State of Texas on December 6, 1992.
5. Respondent's nursing employment history includes:

12/1992 - 2006	Unknown	
2006 - Present	LVN	Regent Care Waco, Texas

Respondent's nursing employment history continued:

12/2007 - 2/2010	LVN	Quality Care of Waco Waco, Texas
9/2009 - Present	LVN	Texan Nursing and Rehabilitation of Waco Waco, Texas

6. At the time of the incident, Respondent was employed as a LVN with Texan Nursing and Rehabilitation of Waco, Waco, Texas, and had been in this position for one (1) year and seven (7) months.
7. On or about April 5, 2011, while employed with Texan Nursing and Rehabilitation of Waco, Waco, Texas, Respondent failed to assess and intervene when she was informed that Resident MJ had complained of pain and that her right leg was swollen. Two days later X-rays revealed that the resident had sustained a right hip fracture. Respondent's conduct exposed the patient unnecessarily to risk of harm from ineffective treatment which could have resulted in a delay in the patient's recovery.
8. On or about April 5, 2011, while employed with Texan Nursing and Rehabilitation of Waco, Waco, Texas, Respondent failed to document in the medical record of Resident MJ that she had complained of pain and that nurse aides reported that the resident's right leg was swollen. Additionally, Respondent failed to document in the 24 hour report regarding the resident's change of condition so that the following shift nurses would be aware of the resident's changed health status. Respondent's conduct resulted in an incomplete medical record and exposed the patient unnecessarily to a risk of harm in that subsequent care givers would rely on her documentation to provide further care.
9. In response to the incident in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that the CNA did not tell her about an injury or swelling. Respondent states that the CNA told her the resident was having pain and redness in the groin area. Respondent states this was not unusual for this resident and that the resident had a barrier cream that could be applied to the area. Respondent states that she told the CNA to keep the resident in bed for the supper meal and to help her eat. Respondent states that she went into the patient's room to give her pain medication and found her lying on her left side with her eyes closed. Respondent states that she woke the resident and repositioned her so she could take the pill and that the resident did not show signs of pain during the repositioning. Respondent states again that the CNA caring for the resident only reported pain and redness to the resident's groin. Respondent states it was not reported that the resident had any swollen areas or injuries and that no staff member reported any event that could have caused injury to the resident.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
