BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Vocational Nurse License Number 212284 §  
issued to KEVIN MICHAEL SPARKS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of KEVIN MICHAEL SPARKS, and Vocational Nurse License Number 212284, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(9)(10)&(12) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 30, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Lamar University-Orange, Orange, Texas on August 17, 2007. Respondent was licensed to practice vocational nursing in the State of Texas on September 25, 2007.
5. Respondent's vocational nursing employment history includes:
 

09/2007 - 06/2010	LVN Intensive Care Unit	Baptist Hospitals of Southeast Texas Beaumont, Texas
-------------------	-------------------------	---

Respondent's vocational nursing employment history continued:

06/2010 - 03/2011	LVN/Community Education Coordinator	River City Hospice Beaumont, Texas
04/2011 - 05/2012	LVN Emergency Services	Baptist Hospitals of Southeast Texas Beaumont, Texas
06/2012 - Present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with Baptist Hospitals of Southeast Texas, Beaumont, Texas, and had been in this position for one (1) year and one (1) month.
7. On or about May 3, 2012, while employed with Baptist Hospital of Southeast Texas, Beaumont, Texas, Respondent lacked fitness to practice nursing in that he was observed to be flushed, shaking, and sweating. Respondent's condition could have affected his ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected his ability to make rational, accurate, and appropriate assessments, judgments, and decision regarding patient care, thereby placing the patients in potential danger.
8. On or about May 3, 2012, while employed with Baptist Hospital of Southeast Texas, Beaumont, Texas, Respondent engaged in intemperate use of Marijuana in that he provided a specimen for a for-cause urine drug screen, which came back positive for Marijuana. Also, Respondent admitted to the use of Marijuana to his employer. Unlawful possession of Marijuana is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Marijuana by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
9. Respondent admits to the conduct outlined in Findings of Fact Numbers Seven (7) and Eight (8). He states that he was using marijuana due to depression after being diagnosed with Crohn's disease in September 2011. Respondent states that at no time did he use and go to work; he only used at home. Respondent explains that he went to the facility director on his own accord to explain the situation and ask for help. It was at this time that he was observed to be flushed, shaking, and sweating. He states that he has not used since the end of April after his family physician stopped all of his anti-depressant medication. Respondent states that he is now off of all of his medications for the disease, has no desire to use marijuana, and has no more depression issues.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(T) and 22 TEX. ADMIN. CODE §217.12(1)(A), (B) & (E), (4) & (5), (10)(A)(D) & (11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(9), (10) & (12), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 212284, heretofore issued to KEVIN MICHAEL SPARKS, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
