BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED

issued to KAREN EVON NEIGHBORS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of KAREN EVON NEIGHBORS, Registered Nurse License Number 251687, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on August 13, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.

Respondent received an Associate Degree in Nursing from El Centro College, Dallas, Texas, on May 1, 1980, received a Bachelors Degree in Nursing from Graceland University, Independence, Missouri, on May 1, 2007, and received a Master of Science Degree in Nursing from South University, Savannah, Georgia, on May 1, 2009. Respondent was licensed to practice professional nursing in the State of Texas on September 4, 1980.
5. Respondent's nursing employment history includes:

1980 - 2007	Staff RN	Presbyterian Hospital

1998 - 1999	Clinical Coordinator Nurse Consultant	Kaufman, Texas Legal Nurse Consultant Dallas, Texas

6. On or about June 29, 2011, Respondent pled No Contest to FORGE ALTER PRESCRIPTION, a Class B misdemeanor offense committed on November 30, 2010, in the County Court at Law No. 2 of Kaufman County, Texas, under Cause No. 11CL-0525-2. As a result of the plea, the proceedings against Respondent were deferred without entering an adjudication of guilt, and Respondent was placed on probation for a period of twelve (12) months, and ordered to pay a fine and court costs.

7. In response to Finding of Fact Number Six (6), Respondent states, on November 30, 2010, she had a dermatology appointment in Mesquite, Texas. She was given a topical medication to apply to her arms for treatment of the skin cancer that has been treated for the last few months. She left Mesquite, drove back to Kaufman, Texas, went thru the drive thru of CVS Pharmacy to drop off the Rx, and returned to work at the TVCC Health Science Center. She left work at five and went to the pharmacy to pick up her medication and was told it was "not ready, you will need to come in." She went in the store was told it was not ready and she would need to wait. Soon Kaufman city policemen approached her and asked if she was Karen Neighbors, she said yes, the policemen asked her to step outside. She was harshly interrogated right in front of the store. She was being accused of writing an extra medication on the Rx, she had submitted earlier in the day. She emphatically told the officer she did not write anything on the paper before submitting it. After what seemed a life time, he placed her in handcuffs and put her in the back seat of the police car. The officers continued to demand to know why she did not stop in Mesquite to get the Rx filled or some other place. She told them she lived and worked in this area and has all her medications filled at that CVS. Respondent spoke with her supervisor the next day to alert her of the devastating actions that she had just experienced.

8. On July 24, 2012, Respondent was seen by John Lehman Ph. D., Psychologist to undergo a Chemical Dependency Evaluation. Dr. Lehman states the following: Ms. Neighbors does not appear to have chemical dependency. The issue of the forgery is problematic, and unresolved. As a result, he would recommend one year of random drug screening to assure that there is no illegal drug use. He does believe that she has family issues that need to be addressed. He would make the recommendations that she needs to be involved in A1-Anon and she would benefit from personal therapy to address her long-standing personality issues and her anxiety. Additionally, she is fit to practice.
