BEFORE THE TEXAS BOARD OF NURSING

issued to SANDRA M. DAVIS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of SANDRA M. DAVIS, Registered Nurse License Number 626583, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(9),(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on August 27, 2012, subject to ratification by the Board.

7. On or about August 30, 2012 through August 31, 2010, while employed with Lifecare Hospital of San Antonio, San Antonio, Texas, Respondent withdrew Hydromorphone from the Medication Dispensing System for Patient Number 106136 in excess frequency/dosage of Physician's Order. Respondent's conduct was likely to injure the patient in that the administration of Hydromorphone in excess frequency and/or dosage of the physician's order could result in the patient suffering from adverse reactions.
8. On or about September 8, 2010, while employed with Lifecare Hospital of San Antonio, San Antonio, Texas, Respondent engaged in the intemperate use of Propoxyphene in that she submitted a specimen for a drug screen which resulted positive for Propoxyphene. Possession of Opioids is prohibited by Chapter 481 of the Texas Health & Safety Code (Controlled Substances Act). The use of Opioids by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
9. Regarding the conduct outlined in Findings of Fact Numbers Seven (7) through Eight (8), Respondent states that on the day in question, she gave the patient his pain medication before he went to his appointment as he requested. Respondent realizes that she had an error in her documentation in regard to time but can't say why she got it wrong other than it was a very busy morning. Respondent states that the Darvocet that she tested positive for was from a prescription she had from her dentist Dr. Cam Janse. According to Respondent, she tried to contact the dentist who prescribed the Darvocet but he had retired and her files had been shredded since it had been three (3) years since her last appointment.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE § 217.11(1)(A), (B), (C) & (D) and 22 TEX. ADMIN. CODE § 217.12(1)(A) & (B), (4), (5), (10)(A) & (D) and (11)(B).

626583, heretofore issued to SANDRA M. DAVIS, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
