Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 801669 §
issued to MICHA JONES § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MICHA JONES, Registered Nurse License Number 801669, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on August 17, 2012, by Katherine A. Thomas, MN, RN, FAAN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Trinity Valley Community College, Kaufman, Texas on May 9, 2011. Respondent was licensed to practice professional nursing in the State of Texas on June 9, 2011.
5. Respondent's professional nursing employment history includes:

06/11 - 11/11	RN	Nexus Recovery Center, Inc. Dallas, Texas
12/11 - present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Nexus Recovery Center, Inc., Dallas, Texas, and had been in this position for four (4) months.
7. On or about October 2011, while employed with Nexus Recovery Center, Dallas, Texas, Respondent violated the professional boundaries of the nurse/client relationship in that he engaged in a personal and sexual relationship with a client of Nexus Recovery Center. Respondent's conduct was likely to injure the patient in that it could have resulted in confusion between the needs of the nurse and those of the patient. In addition, Respondent's conduct may have caused delayed distress for the patient, which may not be recognized or felt by the patient until harmful consequences occur.
8. Regarding the conduct outlined in Finding of Fact Number Seven (7), Respondent states while the client was a patient at Nexus Recovery, he was not her direct care nurse, nor does he recall ever providing nursing care to the client and points out if there was any nursing care involvement with the client it would have been minimal. Respondent states he thought the client had been discharged at the time of the interaction. Respondent admits that he went to her home for dinner and watched a movie, communicated via text messages with the client, took her to a hockey game, and allowed her to spend the night at his home. The following week, Respondent states that he learned that the client was attending intensive outpatient through a coworker. Respondent states he contacted the client and explained they could no longer communicate or see each other because she was still in treatment. Additionally, Respondent states he was not aware that Nexus Recovery Center has a company policy stating that employees are not to develop friendships or relationships with previous residents for two years following discharge from the facility. Respondent points out he was a new nurse with four (4) months experience at the time of the incident.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(J), and 22 TEX. ADMIN. CODE §217.12(6)(D)&(E).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 801669, heretofore issued to MICHA JONES, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
