BEFORE THE BOARD OF NURSE EXAMINERS
FOR THE STATE OF TEXAS

In the Matter of	§	
JOHNNY WAYNE AMES,	§	ORDER OF
PETITIONER for Eligibility for	§	CONDITIONAL ELIGIBILITY
Licensure	§	

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by JOHNNY WAYNE AMES, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on June 1, 2006, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. On or about July 28, 2005, Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner graduated with an Associate Degree in Nursing from South Texas College, McAllen, Texas, in September 2005.
4. Petitioner completed the Petition for Declaratory Order and answered "yes" to the question which reads as follows: *"Have you ever been convicted, adjudged guilty by a court, pled guilty, no contest or nolo contendere to any crime in any state, territory or country, whether or not a sentence was imposed, including any pending criminal charges or unresolved arrest (excluding minor traffic violations)? This includes expunged offenses and deferred*

adjudications with or without prejudice of guilt. Please note that DUI's, DWI's, PI's must be reported and are not considered minor traffic violations. (One time minor in possession [MIP] or minor in consumption [MIC] do not need to be disclosed, therefore, you may answer "No." If you have two or more MIP's or MIC's, you must answer "Yes.")"

5. Petitioner completed the Petition for Declaratory Order and answered "yes" to the question which reads as follows: *"Do you have any criminal charges pending, including unresolved arrests?"*
6. Petitioner disclosed that on May 26, 2001, he was charged with four (4) counts of Possession or Promotion of Child Pornography in the Weslaco Municipal Court of Hidalgo County, Texas. On February 13, 2003, the charges were dismissed because Petitioner was "to be prosecuted federally for same charges." A records search dated March 7, 2006, from the Clerk of Court, United States District Court, Southern District of Texas, McAllen, Texas, states that "no records have been found" under Petitioner's name.
7. There is no evidence of any subsequent criminal conduct.
8. On July 29, 2005, Petitioner's Texas Educator Certificate was revoked by default at a hearing before the State Office of Administrative Hearings permanently invalidating his teaching certificate.
9. On April 21, 2006, Petitioner presented to Richard Connell, Ph.D., Lampasas, Texas, to undergo a forensic psychological evaluation to include a sexual predator component and a polygraph exam. The results of the evaluation indicate that Petitioner would be able to consistently behave in accordance with the requirements of the Texas Board of Nursing Rules 213.27-213.29 at 22 Texas Administrative Code, as well as the minimum standards set by the Board's Rules 217.11 at 22 TAC and generally accepted Nursing standards. Secondly, Petitioner would have a low probability of engaging in behaviors identified by the Board as constituting unprofessional conduct as elaborated in Rule 217.12.
10. Petitioner underwent a polygraph exam on April 24, 2006, administered by Donald Trease, Allied Polygraph, San Antonio, Texas. The pre-test interview disclosed that in June 2005 Petitioner went to the U.S. District Court and found out there were no charges pending against him. Petitioner presented disposition papers from the Weslaco court indicating the case was dismissed and transferred to federal court with no records found in the U.S. District Court, but he has no Order of Dismissal from federal court so it is possible charges could still be filed. The charges were filed initially in state court in May 2001. Petitioner stated that he has never been interested in child pornography, though he has accessed adult sites. The analysis of the polygraph results shows a low probability of deception, indicating Petitioner was "truthful."
11. The Board received letters of support/recommendation for Petitioner from the following:

- A letter dated July 11, 2005, was submitted to the Board on behalf of Petitioner by Esmeralda Garza, RN, MSN, Instructor, South Texas College, McAllen, Texas.
 - A letter dated July 27, 2005, was submitted to the Board on behalf of Petitioner by Paula A. Olesen, RN, MSN, Director, Associate Degree Nursing Program, South Texas College, McAllen, Texas.
 - A letter was submitted to the Board on behalf of Petitioner by Jennifer Housos, RN, MSN, FNP-C, South Texas College, McAllen, Texas.
12. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public.
 13. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
 14. Petitioner has sworn that his past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
 15. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
 16. On or about June 1, 2006, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28

and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.

6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform his conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
