ORDER OF
CONDITIONAL ELIGIBILITY

On the date entered below, the Board of Nurse Examiners for the State of Texas, hereinafter referred to as the Board, considered the Petition for Declaratory Order and supporting documents filed by STACY KIBREL CUMMINGS, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and PETITIONER's Certificate contained herein. Information received by the Board produced evidence that PETITIONER may have violated Section 301.452 *et seq.*, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order offered on September 19, 2004, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about May 24, 2004, Petitioner submitted a Petition for Declaratory Order requesting a determination of eligibility for licensure in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
2. Petitioner waived representation, notice, administrative hearing, and judicial review.
3. Petitioner graduated with a Diploma in Vocational Nursing from Tyler Junior College, Tyler, Texas, in August 2004.

4. Petitioner disclosed the following criminal history, to wit:
 - A. On November 18, 1992, Petitioner was convicted of the misdemeanor offense of Assault in the County Court at Law of Cherokee County, Texas, and assessed a fine in the amount of one hundred forty-two dollars (\$142.00).
 - B. On May 31, 1998, Petitioner was charged with the misdemeanor offense of Interfering with Duties of a Public Servant in the County Court at Law of Cherokee County, Texas. Petitioner entered a plea of not guilty and was granted Pre-Trial Diversion. On January 19, 1999, Petitioner was granted a motion to dismiss the charge.
 - C. On August 6, 2003, Petitioner was convicted of the misdemeanor offense of Discharge Firearm in City in the Municipal Court of Cherokee County, Texas, and assessed a fine and court costs in the amount of one hundred thirty-five dollars (\$135.00).
 - D. Petitioner has also been arrested for the following:

On March 14, 1995, Petitioner was arrested for the misdemeanor offense of Assault - Family Violence by the Jacksonville Police Department. On April 17, 1995, in the County Court at Law of Cherokee County, Texas, Petitioner was granted a motion to dismiss the charge.
5. There is no evidence of any subsequent criminal conduct.
6. On August 9, 2004, Petitioner was seen by Antoinette R. Cicerello, Ph.D., Forensic Psychology of Texas, to undergo a forensic psychological evaluation and polygraph examination. Based on the results of the evaluation, Dr. Cicerello gives the following conclusions and recommendations:
 - A. Petitioner does not meet diagnostic criteria for a mental illness or substance dependence disorder at this time. Thus, there were no identified psychiatric or chemical dependency issues that would be expected to preclude Petitioner from being able to be in accordance with the Board's rules concerning generally accepted nursing standards and professional conduct.
 - B. Due to legal difficulties related to assaultive behavior, in addition to psychological testing suggestive of problems with controlling aggression, it is recommended that Petitioner undergo short-term individual or group psychotherapy to assist him in learning new ways of dealing with anger and coping with stress.
7. The Board received letters of support/recommendation for Petitioner from the following:
 - A letter of reference dated April 14, 2004, was submitted on behalf of Petitioner by Sue Owens, RN, Tyler Junior College, Tyler, Texas.

- A letter of reference dated April 14, 2004, was submitted on behalf of Petitioner by Genny Kilgore, LVN, Tyler Junior College, Tyler, Texas.
8. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public provided Petitioner complies with the stipulations outlined in this Order.
 9. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of the information provided by Petitioner.
 10. Petitioner has sworn that his past behavior conforms to the Board's professional character requirements. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
 11. Petitioner has been advised that any information found to be incomplete, incorrect, or misleading will be considered and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through misrepresentation.
 12. On September 19, 2004, the Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 Texas Administrative Code §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.

CONCLUSIONS OF LAW

1. The Board of Nurse Examiners has jurisdiction over this matter pursuant to Section 301.453, Texas Occupations Code.
2. Petitioner has submitted a petition in compliance with Section 301.257 *et seq.*, Texas Occupations Code.
3. Petitioner's criminal history reflects criminal conduct which is grounds for denial of a license under Section 301.452 *et seq.*, Texas Occupations Code.
4. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452, Texas Occupations Code.
5. The Board may license an individual who has been previously convicted, adjudged guilty by a court, pled guilty or pled nolo contendere to any crime whether or not a sentence was imposed upon consideration of the factors set out in 22 Texas Administrative Code §213.28 and evaluating the direct relationship to nursing according to Chapter 53, Section 53.001 *et seq.*, Texas Occupations Code.

6. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 Texas Administrative Code §213.27, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
