On June 21, 2006, I applied for and was granted an early release from the order for community supervision, and I have fulfilled all requirements relating to the court order. . . I will be the first to admit, the bad decisions I have made in my past have caused a level of total humiliation and disgrace, to say the least. . . It is not my desire to return to work in patient care for the remaining years of my nursing practice, and although I would regret the need to do so. I am prepared to limit my nursing care to non-patient care for the remainder of same, should this be desired."
15. Charges were filed on June 8, 2007.
