BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 662490 §  
issued to RHONDA MARIE BASSETT § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of RHONDA MARIE BASSETT, Registered Nurse License Number 662490, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Sections 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on October 14, 2012, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Grayson County College, Denison, Texas on May 1, 1999. Respondent was licensed to practice professional nursing in the State of Texas on July 20, 1999.
5. Respondent's nursing employment history includes:

7-1999 - 1-2004	Charge Nurse	Wilson N. Jones Medical Center Sherman, Texas
-----------------	--------------	--

Respondent's nursing employment history continued:

2-2004 - 7-2006	Staff Nurse	Medical Center of McKinney McKinney, Texas
8-2006 - 9-2008	Staff Nurse	Wilson N. Jones Medical Center Sherman, Texas
10-2008 -10-2010	Staff Nurse	Carrus Specialty Hospital Sherman, Texas
11-2010 - Present	Staff Nurse	Heritage Park Surgical Hospital Sherman, Texas

6. At the time of the initial incident, Respondent was employed as a Staff Nurse with Heritage Park Surgical Hospital, Sherman, Texas, and had been in this position for six (6) months.
7. On or about May 23, 2011, while employed with Heritage Park Surgery Center, Sherman, Texas, Respondent failed to document in the medical record an assessment of Patient Number 11494, a 72 year old, following a medical procedure that required the patient receive conscious sedation and an epidural (spinal block). Respondent failed to document when, or if, the patient had met the criteria for discharge which would have indicated that the patient's sensation and movement had returned in her lower extremities and that she could support herself while standing. Respondent's conduct resulted in an incomplete medical record and exposed the patient unnecessarily to a risk of harm in that subsequent care givers would rely on her documentation to provide further care.
8. On or about May 23, 2011, while employed with Heritage Park Surgery Center, Sherman, Texas, Respondent failed to appropriately intervene for the aforementioned Patient Number 11494 when, after the patient had undergone a procedure that required the patient receive an epidural (spinal block) and conscious sedation, Respondent left the 72 year old patient unattended in the recovery area. The patient attempted to get out of bed, fell and injured her head. Consequently, the patient required a CT scan to rule out a head injury. Respondent's conduct exposed the patient unnecessarily to a risk of harm from undetected changes of condition and contributed to the patient sustaining a head injury.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that the patient's vital signs were stable and the patient was awake and orientated to person, place and time. Respondent states that when she asked the patient if she needed help to begin dressing, the patient declined. Respondent states that she told the patient that she would tell the patient's son-in-law to get the car and that she would be right back to help the patient finish dressing. Respondent states that she did leave the patient unattended long enough to get the son-in-law. Respondent states that as she returned to the curtain, the patient fell at her feet.
