\*\*\*\*\*

In the Matter of Vocational § AGREED  
Nurse License Number 221409 §  
issued to ASENATH MONGINA ONDERI § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ASENATH MONGINA ONDERI, Vocational Nurse License Number 221409, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 19, 2012, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).

On or about September 1, 2011, while employed as a Licensed Vocational Nurse with Rambling Oaks Courtyard ECC, Highland Village, Texas, Respondent was observed off campus at 9:20 p.m., while Respondent's time card indicated that Respondent had clocked out at 9:23 p.m. Respondent's time card had been altered to reflect an incorrect time. Subsequently, Respondent admitted to altering her time card. Respondent's conduct was likely to defraud the facility of the salary paid Respondent for time not worked.
8. In response to Finding of Fact Number Seven (7), Respondent states that on the day in question she had left the building on her break to go to Wal-mart to run an errand. Respondent states she had notified the other charge nurse who was already taking care of her halls while she was on break. Respondents states that due to her break being almost over she left the building and forgot to clock out as per company policy and as she was finishing up her errand, she bumped into the facility administrator. Respondent further states that when she returned to the facility she clocked in and out but due to the time difference and was cited and written-up for the incident and given a warning not to repeat that again.
