BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse § AGREED
License Number 622798 §
issued to PHYLLIS N. JANUARY § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the I considered the matter of PHYLLIS N. JANUARY, Registered Nurse License Number 622798, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on November 13, 2009, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from McLennan Community College, Waco, Texas, on May 1, 1995. Respondent was licensed to practice professional nursing in the State of Texas on October 3, 1995.
5. Respondent's professional nursing employment history includes:

5/1995-10/1995	Graduate Nurse	Hillcrest Baptist Medical Center Waco, Texas
----------------	----------------	---

Respondent's professional nursing employment history continued:

10/1995-9/2006 RN Hillcrest Baptist Medical Center
Waco, Texas

10/2006-Present Unknown

6. At the time of the initial incident, Respondent was employed as a RN with Hillcrest Baptist Medical Center, Waco, Texas, and had been in this position for ten (10) years and eleven (11) months.
7. On or about September 10, 2006, while employed with Hillcrest Baptist Medical Center, Waco, Texas, Respondent failed to administer Sodium Phosphate to Patient Medical Record Number 580173, as ordered by the physician. Respondent's omission placed the patient at risk of ineffective treatment which could result in a delay in the patient's recovery.
8. On or about September 11, 2006, while employed with Hillcrest Baptist Medical Center, Waco, Texas, Respondent inappropriately administered one hundred fifty (150) units of Humulin R Insulin intravenously to Patient Medical Record Number 580173 in approximately one (1) hour, when the physician order was for thirteen (13) units per hour. When she realized that the one hundred fifty (150) units had infused, Respondent failed to follow physician orders and/or consult the protocol for the administration of Trauma Insulin, which included performing accuchecks and true glucose readings every hour. Later, Respondent also failed to intervene when it was reported to her that the patient's blood sugar was critically low at less than 30mg/dl. Respondent's conduct unnecessarily exposed the patient to the risk of harm from complications due to untreated low blood sugar, including diabetic coma and death.
9. On or about September 13, 2006, while employed with Hillcrest Baptist Medical Center, Waco, Texas, Respondent falsely documented the administration of Propass, Lactinex, Phoslo, and Vancomycin to Patient Medical Record Number 580173, through the patient's Jejunostomy tube (J-tube), which the physician had ordered to be clamped closed. Respondent's behavior was likely to deceive other care givers who needed complete information on which to base their care.
10. In response to the incidents in Finding of Fact Numbers Seven (7) through Nine (9), Respondent states that she did take the physician's order for Sodium Phosphate to the pharmacy, but got busy and didn't follow up on it. Regarding the Insulin infusion, Respondent states that the patient was finishing up with a bedside surgery and the Insulin was hung in haste, which led to the door of the pump being left opened. Respondent states that she did not give the medications listed in Finding of Fact Number Nine (9), that she may have signed the medication administration record as if she had given them, but that she did not administer the drugs through the J-tube.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(B),(1)(C), (1)(D),(1)(M)&(3)(A) and 217.12(1)(A),(1)(C),(6)(A)&(6)(H).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 622798, heretofore issued to PHYLLIS N. JANUARY, including revocation of Respondent's license to practice professional nursing in the State of Texas.
