BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 671018 §
issued to BRENDA VEGA § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of BRENDA VEGA, Registered Nurse License Number 671018, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on November 29, 2012, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Arapahoe Community College-AD, Littleton, Colorado, on May 01, 2000. Respondent was licensed to practice professional nursing in the State of Texas on July 18, 2000.
5. Respondent's professional nursing employment history includes:

|---------------|----|---------------------------------------|
| 06/00 - 08/00 | RN | Seton Medical Center Austin, Texas |
|---------------|----|---------------------------------------|

Respondent's professional nursing employment history includes:

| | | |
|-----------------|---------|--|
| 08/00 - 11/11 | RN | St. David's Medical Center Austin, Texas |
| 11/11 - 09/12 | RN | St. David's North Austin Medical Center Pflugerville, Texas |
| 10/12 - Present | Unknown | |

6. At the time of the incident, Respondent was employed as a Registered Nurse with St. David's North Austin Medical Center, and had been in this position for seven (7) months.
7. On or about June 2012, while employed with St. David's North Austin Medical Center, Pflugerville, Texas, Respondent misappropriated Intravenous (IV) supplies, including, but not limited to, IV Fluids, IV tubings and IV start kits, belonging to the facility and patients thereof, or failed to take precautions to prevent such misappropriation, in that she was observed by staff walking into the supply room on a day she was not scheduled to work and walking out of the facility with IV supplies. As Respondent made her way out of the facility, Respondent informed staff she was taking her family to an outdoor concert and was taking the IV supplies in case someone were to become dehydrated. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
8. Regarding the conduct outlined in Finding of Fact Number Seven (7), Respondent states the following: "Yes, I did come in on a day off to grab the expired saline that was going to be thrown away. In my mind, I remembered all those stories I had heard about dehydration and 'glad I had that saline at home', and with the all day outdoor concert I was taking my kids to that day, I figured this was my 'just in case'. I came in, grabbed the expired saline and one \$2 IV start kit, said hello to the staff, and left. There was no malicious intent in this. I didn't even sneak it out. I had seen this done so many times before I didn't think it was such a big deal. I have never done anything like this before." Respondent also states she returned the unopened, expired saline, along with the start kit, to her nurse supervisor. She understands she made a terrible mistake.
