Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 728064 §
& Vocational Nurse License Number 163224 §
issued to MANUEL VALDEZ GALVAN § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of MANUEL VALDEZ GALVAN, Registered Nurse License Number 728064, and Vocational Nurse License Number 163224, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 7, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional and vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Fort Duncan Medical Center, Eagle Pass, Texas, on May 17, 1997. Respondent was licensed to practice vocational nursing in the State of Texas on July 25, 1997. Respondent received an Associate Degree in Nursing from San Antonio College, San Antonio, Texas, on December 9, 2005. Respondent was licensed to practice professional nursing in the State of Texas on June 6, 2006.

5. Respondent's complete vocational and professional nursing employment history includes:

05/1997-06/06	LVN	Fort Duncan Medical Center Eagle Pass, Texas
07/06-06/11	RN	Fort Duncan Medical Center Eagle Pass, Texas
07/11-Present	Unknown	

6. On or about June 19, 2011, while employed as a Registered Nurse with Fort Duncan Regional Medical Center, Eagle Pass, Texas, Respondent withdrew Demerol from the Medication Dispensing System for patients without valid physicians' orders. Respondent's conduct was likely to injure the patients in that the administration of Demerol without valid physicians' orders could result in the patients suffering from adverse reactions.
7. On or about June 19, 2011, while employed as a Registered Nurse with Fort Duncan Regional Medical Center, Eagle Pass, Texas, Respondent falsified multiple patient medical records in that he documented verbal orders (VO) from Dr. David B. Bartos for Demerol even though Dr. Bartos was staunchly opposed to the use of Demerol for the 1st, 2nd, or 3rd line treatment of pain. Respondent's conduct was likely to injure the patients in that subsequent care givers did not have accurate and complete information on which to base their decision for further care. Additionally, administration of Demerol without valid physicians' orders could result in the patients suffering from adverse reactions.
8. On or about June 19, 2011, while employed as a Registered Nurse with Fort Duncan Regional Medical Center, Eagle Pass, Texas, Respondent misappropriated Demerol from the facility or patients thereof or failed to take precautions to prevent such misappropriations. Respondent's conduct was likely to defraud the facility and patients of the cost of the medications.
9. On or about December 13, 2012, Respondent completed a Chemical Dependency Evaluation performed by Jerome R. Schmidt, Ph.D, Psychologist. Dr. Schmidt concludes that the Respondent's responses were defensive in an effort to present himself in an overly positive light and were in conflict with the report of Dr. Bartos; however, there is no indication of substance abuse or dependence. Dr. Schmidt recommends that Respondent be supervised to ensure ongoing compliance with hospital rules and regulations.
10. The Board finds that there exists serious risks to public health and safety as a result of Respondent's conduct regarding controlled substances.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE § 217.11(1)(A),(B),(C) & (D) and 22 TEX. ADMIN. CODE § 217.12(1)(A)&(B),(4),(6)(A),(G)&(H),(10)(B) and (11)(B).
4.
