BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse License Number 702114 § AGREED
and Vocational Nurse License Number 164056 §
issued to STACIE ANN SVAJDA § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of STACIE ANN SVAJDA, Registered Nurse License Number 702114 and Vocational Nurse License Number 164056, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on October 9, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

10. In response to Findings of Fact Numbers Seven (7) through Nine (9), Respondent states: "I agree that I did not follow facility procedures for the wastage of Dilaudid to the letter on a limited number of occasions, but I do have a reasonable explanation for that slight. This is only an administrative failure. I deny all other substantive allegations. I admit that on a limited number of occasions, wastage of Dilaudid occurred outside of normal facility protocol. The failure to follow protocol was not calculated but was based instead upon custom and excessive workload. I deny the allegation of misappropriation."
