BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Registered Nurse License Number	§	AGREED
501178 and Vocational Nurse License Number	§	
51985 issued to JOY K. HILLIN	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of JOY K. HILLIN, Registered Nurse License Number 501178 and Vocational Nurse License Number 51985, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(9),(10)&(12), Texas Occupations Code. Respondent waived, informal conference, notice and hearing, and agreed to the entry of this Order offered on April 21, 2010, by Katherine A. Thomas, MN, RN, Executive Director.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived informal conference, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas and holds a license to practice vocational nursing in the State of Texas which is in delinquent status.
4. Respondent received a Certificate in Vocational Nursing from Lamar Vocational Nursing Program, Beaumont, Texas on January 10, 1972. Respondent was licensed to practice vocational nursing in the State of Texas on April 11, 1972. Respondent received an Associate Degree in Professional Nursing from Lamar University, Beaumont, Texas, on May 14, 1982. Respondent was licensed to practice professional nursing in the State of Texas on September 15, 1982.

5. Respondent's professional nursing employment history includes:

1/72-7/07	LVN/RN	Christus Hospital St. Elizabeth Beaumont, Texas
8/07- 1/08	Unknown	
2/08-Present	LVN/RN	Baptist Orange Hospital Orange, Texas

6. At the time of the initial incident in Finding of Fact Number Seven (7), Respondent was employed with Christus Hospital St. Elizabeth, Beaumont, Texas, as a Registered Nurse and was on medical leave from September 2006, through July 2007. Respondent had been in this position for approximately thirty-five (35) years.
7. On or about January 9, 2007, while employed with Christus Hospital St. Elizabeth, Beaumont, Texas, and on medical leave, Respondent was admitted to ICU due to an accidental drug overdose and notified her Nursing Administrator that she had been hospitalized for chemical dependency.
8. On or about August 24, 2007, while participating in the Texas Peer Assistance Program for Nurses (TPAPN), Respondent produced a specimen for drug screening which resulted positive for Propoxyphene. The use of Propoxyphene by a Registered Nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
9. On or about September 4, 2007, while participating in the Texas Peer Assistance Program for Nurses (TPAPN) Respondent ingested Tramadol in violation of her TPAPN agreement. The use of Tramadol by a nurse, while subject to call or duty, could impair the nurse's ability to recognize subtle signs, symptoms or changes in the patient's condition, and could impair the nurse's ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patient in potential danger.
10. Respondent states that on September 10, 2007, she entered Right Choice Intensive Outpatient Treatment facility. Respondent states in addition to her treatment at Right Choice, she attends weekly La Hacienda aftercare meetings and AA meetings. Respondent states she's working diligently toward her goal of recovery.
11. The Respondent's conduct described in the preceding Findings of Fact was reportable under the provisions of Sections 301.401-301.419, Texas Occupations Code.
12. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care if nurses with the disease of addiction are not properly treated.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.455, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The above action constitutes grounds for disciplinary action in accordance with Section 301.452(b)(9),(10)&(12), Texas Occupations Code, and is a violation 22 TEX. ADMIN. CODE §217.12(1)(E),(5),(10)(A)&(D)&(11)(B).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 501178 and Vocational Nurse License Number 51985, heretofore issued to JOY K. HILLIN, including revocation of Respondent's licenses to practice nursing in the State of Texas.
