BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 619862 §
issued to LAURA E. WILLIAMS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LAURA E. WILLIAMS, Registered Nurse License Number 619862, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 28, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from El Centro College, Dallas, Texas, on May 1, 1995. Respondent was licensed to practice professional nursing in the State of Texas on July 7, 1995.
5. Respondent's nursing employment history includes:

9/1995 to 10/2012	Registered Nurse	Parkland Health & Hospital System Dallas, Texas
-------------------	------------------	--

Respondent's nursing employment history continued:

11/2012-Present Unknown

6. At the time of the initial incident, Respondent was employed as a Registered Nurse with Parkland Health & Hospital System, Dallas, Texas, and had been in this position for sixteen (16) years and five (5) months.
7. On or about February 20, 2012, while employed at Parkland Health & Hospital System, Dallas, Texas, and assigned to the Neonatal Intensive Care Unit (NICU), Respondent failed to administer Prevacid 6.03mg to Patient Medical Record 4510682 as ordered by the physician. Respondent's conduct exposed the patient unnecessarily to a risk of harm from adverse effects of gastroenteral reflux disease, including possible chest pain, dysphagia, regurgitation and sore throat.
8. On or about February 20, 2012, while employed at Parkland Health & Hospital System, Dallas, Texas, and assigned to the Neonatal Intensive Care Unit (NICU), Respondent falsely documented in the medical record that she administered Prevacid 6.03mg to Patient Medical Record 4510682. Respondent's conduct resulted in an inaccurate medical record, which was likely to injure the patient in that subsequent care givers would rely on Respondent's documentation to provide further care.
9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that she had been taking care of this patient for about four (4) months and she knew the patient had Prevacid due at 1600. Respondent states that she charted the medication on the computer and got up to get the medication from the refrigerator but on her way out of the room another baby decompensated and required resuscitation including bag mask ventilation. Respondent states that when the baby was stable she had forgotten about the medication for the other baby and, subsequently, was unaware of her mistake until it was brought to her attention. Respondent states that she realizes her mistake and knows it's a bad habit to chart medications before giving them.
10. Formal Charges were filed on October 8, 2012.
11. Formal Charges were mailed to Respondent on October 9, 2012.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.

WILLIAMS, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
