ADMIN. CODE §217.2(b) and §213.30, and supporting documents filed by PASSION K ROSS, hereinafter referred to as PETITIONER, together with any documents and information gathered by staff and Petitioner's Certification contained herein.

Information received by the Board produced evidence that PETITIONER may be subject to discipline and ineligible for licensure pursuant to Sections 301.452(b)(8)&(10) and 301.453, Texas Occupations Code.

PETITIONER waived representation by counsel, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 30, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. On or about October 1, 2012, PETITIONER submitted an Application by Examination requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.253, 301.257 and 301.258, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.2(b) and §213.30.

2. Petitioner waived representation by counsel, informal proceedings, notice and hearing, and consented to the entry of this Order.
3. Petitioner received a Certificate in Vocational Nursing from the Kaplin College, San Antonio, Texas, on June 27, 2008. Respondent was licensed to practice vocational nursing in the State of Texas on October 7, 2008. Petitioner received an Associate Degree in Professional Nursing from the University of Texas, Brownsville, Texas, on December 1, 2012.
4. Petitioner completed the Application by Examination and answered "yes" to the question which reads as follows: "*Has any licensing authority refused to issue you a license or ever revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a professional license, certificate or multi-state privilege held by you now or previously, or ever fined, censured, reprimanded or otherwise disciplined you?*"
5. On December 13, 2011, Petitioner was issued the sanction of REPRIMAND WITH STIPULATIONS Order by the Board of Nursing. A copy of the REPRIMAND WITH STIPULATIONS Order is attached and incorporated by reference as part of this Order.
6. After considering the action taken by the Board of Nursing, along with Petitioner's subsequent conduct, the Executive Director is satisfied that Petitioner should be able to meet the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
7. Petitioner has sworn that, with the exception of matters disclosed in connection with the Application by Examination, her past behavior conforms to the Board's professional character requirements at 22 TEX. ADMIN. CODE §213.27.
8. Petitioner presented no evidence of behavior which is inconsistent with good professional character.
9. The Executive Director considered evidence of Petitioner's past behavior in light of the character factors set out in 22 TEX. ADMIN. CODE §213.27 and determined that Petitioner currently demonstrates the criteria required for good professional character.
10. Licensure of Petitioner poses no direct threat to the health and safety of patients or the public provided Petitioner complies with the stipulations outlined in this Order.
11. The Executive Director's review of the grounds for potential ineligibility has been made on the basis of Petitioner's disclosures.

12. Petitioner has been advised by the Board that any information found to be incomplete, incorrect or misleading to the Board or a subsequent discovery of a basis of ineligibility will be considered by the Board and may result in an ultimate determination of ineligibility or the later revocation of a license obtained through fraud or deceit.
13. Petitioner shall immediately notify the Board of any fact or event that could constitute a ground of ineligibility for licensure under Section 301.452(b), Texas Occupations Code.

CONCLUSIONS OF LAW

1. The Board has jurisdiction over this matter pursuant to Sections 301.452 and 301.453, Texas Occupations Code.
2. On or about October 1, 2012, PETITIONER submitted an Application by Examination requesting a determination of eligibility for licensure in compliance with Sections 301.252, 301.253, 301.257 and 301.258, Texas Occupations Code, and the Board's Rules at 22 TEX. ADMIN. CODE §217.2(b) and §213.30.
3. Petitioner's history reflects conduct which may constitute grounds for discipline and denial of a license under Section 301.452(b)(8)&(10), Texas Occupations Code.
4. The Board may probate the denial of a license under conditions for a specified term pursuant to Section 301.453, Texas Occupations Code.
5. The Board may license an individual with prior behaviors inconsistent with the Board's character requirements if, upon evaluation of the factors in 22 TEX. ADMIN. CODE §213.27, and pursuant to 22 TEX. ADMIN. CODE §213.33, the Board is satisfied that the individual is able to consistently conform her conduct to the requirements of the Nursing Practice Act, the Board's Rules and Regulations, and generally accepted standards of nursing practice.
6. This Order is conditioned upon the accuracy and completeness of Petitioner's disclosures. Any subsequently discovered discrepancies will result in investigation and possible disciplinary action, up to revocation of Petitioner's license(s).

Katherine A. Thomas
Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of Vocational Nurse § AGREED
License Number 218549 §
issued to PASSION K. ROSS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of PASSION K. ROSS, Vocational Nurse License Number 218549, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10)&(13), Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order offered on July 20, 2011, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from Texas Careers, San Antonio, Texas, on June 27, 2008. Respondent was licensed to practice vocational nursing in the State of Texas on October 7, 2008.
5. Respondent's nursing employment history includes:

10/2008-1/2009	LVN Northeast Baptist Hospital San Antonio, Texas
2/2009-present	LVN Maxim Health Care San Antonio, Texas

6. At the time of the incident, Respondent was employed as a LVN with Maxim Health Care Services, San Antonio, Texas, and had been in this position for five (5) months.
7. Or about July 19, 2009, while employed with Maxim Health Care Services, San Antonio, Texas, and assigned to Kindred Hospital, San Antonio, Texas, Respondent failed to adequately assess, intervene, and administer medications to Patient Number DN00017728, when she gave medications to this patient that were not prescribed to him, including Digoxin. Respondent failed to document in the medical record actions she may have taken following the discovery of the medication error, including notifying the patient's physician, creating an inaccurate medical record. Subsequently, the patient developed hypotension and was transferred to the intensive care unit where he later died. Respondent's conduct exposed the patient unnecessarily to a risk of harm in that the medications she administered to the patient would cause hypotension which may have contributed to medical complications the patient later suffered. In addition, Respondent's conduct resulted in an inaccurate medical record which was likely to deceive subsequent care givers who relied on the medical record to provide further care.
8. In response to Finding of Fact Number Seven (7), Respondent states that she did make the medication error, but feels that the medication error did not cause the patient's death seven (7) days later. In regard to her not documenting in the medical record, Respondent states she did document and thinks now that she must have documented in the wrong medical record. Respondent stated that, immediately after the medication error, she notified her charge nurse, called the physician and received orders to observe the patient, which she states she did.
9. Charges were filed on January 14, 2011.
10. Charges were mailed to Respondent on January 18, 2011.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violations of Section 301.452(b)(10)&(13), Texas Occupations Code, and 22 TEX. ADMIN. CODE §§217.11(1)(A), (1)(C), (1)(D), (1)(M) &(2) and 217.12(1)(A)&(4).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against Vocational Nurse License Number 218549, heretofore issued to PASSION K. ROSS, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
