BEFORE THE TEXAS BOARD OF NURSING

In the Matter of	§	AGREED
Vocational Nurse License Number 138487	§	
issued to BARBARA ANN GOMEZ	§	ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of BARBARA ANN GOMEZ, Vocational Nurse License Number 138487, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10),(12)&(13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on January 23, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.
4. Respondent received a Certificate in Vocational Nursing from St. Phillip's College, New Braunfels, Texas, on August 6, 1992. Respondent was licensed to practice vocational nursing in the State of Texas on December 6, 1992.
5. Respondent's vocational nursing employment history includes:

12/1992 - 2010 Employment history unknown.

Respondent's vocational nursing employment history continued:

2010 - 01/2011	LVN	Kirkwood Manor New Braunfels, Texas
11/2010 - 01/2011	LVN	Guadalupe Valley Nursing Center Seguin, Texas
01/2011 - 05/2011	LVN	Colonial Manor Care Center New Braunfels, Texas
05/2011 - Present	Employment history unknown.	

6. At the time of the incidents, Respondent was employed as a Vocational Nurse with Colonial Manor Care Center, New Braunfels, Texas, and had been in this position for five (5) months.
7. On or about May 5, 2011, while employed as a Vocational Nurse with Colonial Manor Care Center, New Braunfels, Texas, Respondent misappropriated Zanaflex belonging to Resident R.H. Additionally, Respondent admitted that she took the medication because she was having "left side pain." Respondent's conduct was likely to defraud the patient of the cost of medication, and is a violation of Chapter 483 of the Texas Health and Safety Code (Dangerous Drug Act).
8. On or about May 5, 2011, while employed as a Vocational Nurse with Colonial Manor Care Center, New Braunfels, Texas, Respondent lacked fitness to practice vocational nursing, in that while on duty she was extremely drowsy and was "nodding off." Respondent's condition could have affected her ability to recognize subtle signs, symptoms or changes in patients' conditions, and could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
9. On or about May 5, 2011, while employed as a Vocational Nurse with Colonial Manor Care Center, New Braunfels, Texas, Respondent abandoned her nursing assignment, in that she clocked out to lay in her car and rest for an hour and forty minutes, but failed to notify her supervisor, or turn over care of the residents to appropriate staff. Respondent's conduct was likely to injure patients in that leaving the nursing assignment could have resulted in the patients not getting the care that they needed.
10. In response to Findings of Fact Numbers Seven (7) through Nine (9), Respondent states: "I truly regret having taken the medication that I administered to myself, the night in question in May 2011. I took a Zanaflex from a R.H.'s medications. I know this was wrong and I have never taken another persons medication prior to this occurrence. I had been in terrible pain for approximately a week, and thinking it was a pulled muscle on the left side of my thoracic back I took one of her pills, with the hope of some relief. I did not have health insurance yet and wasn't able to afford to go to the hospital or doctor. I took one Zanaflex,

not realizing it would cause an adverse reaction along with my prescribed anti-hypertensive medication. I became dizzy and light headed, I never stated that I was drowsy. I decided to take my lunch break and purposely added an extra thirty minutes to my break. I clocked out, and after telling both of my CNAs where I would be and to come get me if they needed me, I went out the door located next to the nurse's station and reclined in my car. The distance from where I was parked to the front door was 35-40 feet and was within shouting range. After my break, I resumed all of my nursing duties. My blood pressure was still low, but I was able to function as a prudent nurse."

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(B) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(E),(4),(5),(6)(G),(8),(10)(A), &(11)(B).
