Executive Director of the Board

BEFORE THE TEXAS BOARD OF NURSING

In the Matter of § AGREED
Registered Nurse License Number 255033 §
& Vocational Nurse License Number 85742 §
issued to LINDA SUE SWEATT § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of LINDA SUE SWEATT, Registered Nurse License Number 255033, and Vocational Nurse License Number 85742, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on February 7, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas. Respondent holds a license to practice vocational nursing in the State of Texas which is in delinquent status.
4. Respondent received a Certificate in Vocational Nursing from Del Mar Tech Institute Vocational, Corpus Christi, Texas, on November 28, 1979 and received an Associate Degree in Nursing from Del Mar College, Corpus Christi, Texas, on May 1, 1981. Respondent was licensed to practice professional nursing in the State of Texas on September 8, 1981.

5. Respondent's nursing employment history includes:

1981 - 2008	Unknown	
1/2008 - 7/2012	Director of Nursing	Oakcreek Nursing and Rehabilitation Luling, Texas
8/2012 - Present	Unknown	

6. At the time of the incident, Respondent was employed as Director of Nursing with Oakcreek Nursing and Rehabilitation, Luling, Texas, and had been in this position for three (3) years and six (6) months.

7. During July 4, 2012 through July 10, 2012, while employed as Director of Nursing with Oakcreek Nursing and Rehabilitation, Luling, Texas, Respondent failed to conduct an investigation and submit a report after she received information from a staff member who reported that Resident A.B. made allegations regarding being raped by a male nurse aide. Respondent's conduct exposed the patient unnecessarily to a risk of harm in that she allowed the patient to have continued exposure to employees who may have propensity toward client abuse which had not been investigated.

8. In response to Finding of Fact Number Seven (7), Respondent states through her attorney that when the sexual assault was reported to her on June 26, 2012, she took immediate action ensuring reporting was made, the resident was sent for further evaluation, the physician and family were notified and the facility ensured that the CNA did not return to the facility. The previous incidents were reported to Respondent after the June 26, 2012 assault. The factors surrounding the previous incidents and her questioning the validity of the staff member's statements, resulted in her not immediately taking action in reporting the staff member's statements, she did do an investigation by questioning staff and reviewing the patient records. Since a preventive plan was in place for the resident's safety she did not place the resident in potential harm by waiting to discuss the statements with the social worker.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation(s) of 22 TEX. ADMIN. CODE §217.11(1)(A),(1)(B)&(1)(D) and 22 TEX. ADMIN. CODE §217.12(1)(A),(1)(B),(4)&(6)(C).
4. The evidence received is sufficient cause pursuant to Section 301.452(b)(10)&(13), Texas Occupations Code, to take disciplinary action against Registered Nurse License Number 255033 and Vocational Nurse License Number 85742, heretofore issued to LINDA SUE MCKINNEY, including revocation of Respondent's license(s) to practice nursing in the State of Texas.
