BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Registered Nurse License Number 696193 §  
& Vocational Nurse License Number 184973 §  
issued to KAREN FRANCES SCOTT § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board considered the matter of KAREN FRANCES SCOTT, Registered Nurse License Number 696193, and Vocational Nurse License Number 184973, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(3),(10)&(12), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on May 14, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas and her vocational license is in inactive status.
4. Respondent received a Certificate in Vocational Nursing from Paris Junior College, Paris, Texas, on May 10, 2002 and received an Associate Degree in Nursing from Paris Junior College, Paris, Texas, on May 1, 2003. Respondent was licensed to practice to practice vocational nursing on July 16, 2002, and licensed to practice professional nursing in the State of Texas on June 10, 2003.
5. Respondent's nursing employment history is unknown.

6. On or about August 1, 2012, while employed with Memorial Hospital, Sulphur Springs, Texas, Respondent may have lacked fitness to practice professional nursing in that in December 2012, Respondent disclosed to her supervisor that she had an addiction problem with Hydrocodone (Norco) due to a back problem and needed help. Respondent's conduct could have affected her ability to make rational, accurate, and appropriate assessments, judgments, and decisions regarding patient care, thereby placing the patients in potential danger.
7. On or about December 31, 2012, Respondent entered a plea of "Guilty" to FRAUD INTENT OBTAIN CS SCH III/IV, a third degree felony offense committed on August 1, 2012, in the 8th District Court, Hopkins County, Texas, under Cause No. 1223016. As a result of the plea, the proceedings against Respondent were deferred without entering an adjudication of guilt and she was placed on probation for a period of three (3) years. Additionally, she was ordered to pay a fine and court costs.
8. In response to Findings of Fact Numbers Six (6) and Seven (7), Respondent admits to the Formal Charges and states that it was Norco that she called into the pharmacy. She denies practicing while under the influence of the medication. She told her supervisor about her problem in December 2012. The medication was prescribed for her back pain and she has had surgery. Her physician prescribed the medication for three (3) years. The doctor also gave her permission to call in the prescriptions when she needed medication. She continued to call them in for six (6) months, even when the doctor left the facility and no longer approved it. She is currently complying with her probation, she completed an intensive outpatient program, attends support group meetings and submits to drug screens for her probation. She has not worked since the incident.
9. Respondent states her date of sobriety as August 1, 2012.
10. The Board finds that there exists serious risks to public health and safety as a result of impaired nursing care due to intemperate use of controlled substances or chemical dependency.
11. Formal Charges were filed on March 8, 2013.
12. Formal Charges were mailed to Respondent on March 11, 2013.

#### CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
