BEFORE THE TEXAS BOARD OF NURSING

\*\*\*\*\*

In the Matter of § AGREED  
Vocational Nurse License Number 229189 §  
issued to ERIC WYNNE CURTIS § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the Board, considered the matter of ERIC WYNNE CURTIS, Vocational Nurse License Number 229189, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may be subject to discipline pursuant to Section 301.452(b)(10)&(13) and 301.453, Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order approved by Katherine A. Thomas, MN, RN, FAAN, Executive Director, on June 19, 2013, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license(s).
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice vocational nursing in the State of Texas.

6. At the time of the initial incident, Respondent was employed as a Licensed Vocational Nurse with MLK Family Clinic, Dallas, Texas, and had been in this position for one (1) year and two (2) months.
7. On or about October 28, 2011, while employed as a Vocational Nurse with MLK Family Clinic, Dallas, Texas, Respondent ordered a random blood sugar and administered orange juice and whole grain cheese crackers to Patient Medical Record Number 730604, who had a blood glucose level of 400, without a physician's order. The patient was treated in the clinic by the physician and released home with followup orders. Respondent's conduct exposed the patient unnecessarily to a risk of harm from untreated complications of hyperglycemia, including heart disease, stroke, diabetic coma and possible demise.

9. In response to the incidents in Findings of Fact Numbers Seven (7) and Eight (8), Respondent states that he immediately reported the patient's vital signs, including the fact that he had given the patient 8oz of orange juice and whole grain cheese crackers, directly to the Medical Director. Respondent states that he did not know that giving the patient orange juice and crackers without a physician's order was wrong. Regarding unauthorized prescription refills, Respondent states that he called the pharmacy so that the patient could pick up the medication. Respondent states that he believes that he had gotten too comfortable calling in medications, and should have brought this specific matter to the doctor.
